WRECK BLOCKS RAILS

Scattered tank and freight cars from a Pennsylvania Railroad train almost wound up on Lincoln Highway near Paoli, Pa., Friday after cars of the 77-car train left the tracks. No one was hurt in the wreck, which blocked all tracks of the main line of the railroad.

Morrison, Seaton Nix Convention

. . . TO REVISE CONSTITUTION

By DON WALTON
Star Staff Writer

Both Democratic Gov. Frank Morrison and Republican gubernatorial condidate Fred Seaton have gone on record in opposition to a state constitutional convention.

In answer to a questionnaire submitted by the League of Women Voters of Nebraska, Seaton and Morrison were joined by Republican candidate Louis Hector in nixing a convention.

Democratic candidates Mrs. Ralph G. Brooks and Tony Mangiamelli favored a constitutional meet.

Mrs. Brooks suggested that such a convention could act on legislative reapportionment, labor legislation and a general review of the constitution.

'By The People'

Morrison dissented: "All necessary changes in the constitution could be adopted by the people in a general election without the expense and confusion involved in a convention."

Seaton did not comment on the question.

Morrison and Seaton disagreed only twice in answer to 9 questions, according to the Voters Guide published by the League.

The governor and Mrs. Brooks disagreed on 6 issues.

Morrison favored appointment of (rather than election of) secretary of state, state treasurer and attorney general; Seaton opposed the change with reservations.

Railway Commission

Seaton and Mrs. Brooks favored making the State Railway Commission a statutory agency subject to legislative control; Morrison opposed the plan.

Mrs. Brooks expressed support for a combination sales-income tax, a state agency to administer public power and a partisan Legislature; Morrison opposed each of the 3.

According to the League publication, the governor opposed broadening the tax base, as did Seaton and Mangiamelli. Hector and Clarke jointed Mrs. Brooks in favoring a change.

All gubernatorial candidates endorsed a merit plan for state employes; only Clarke and Mrs. Brooks favored a partisan legislature, and only Mrs. Brooks supported a state power agency.

ARMY FIRES ROBERTS

Talk To DAR Said Reason

Washington (AP) — Maj. Arch E. Roberts was ordered deprived of his active Army commission and returned to civilian life Friday as a result of a speech he made before the Daughters of the American Revolution last week.

Secretary of the Army Elvis J. Stahr Jr. took the action "because of improper statements made by Maj. Roberts in an uncleared speech."

Roberts delivered an impromptu talk at the DAR convention April 19 after the Pentagon refused to approve the formal speech he had prepared for the occasion.

'Off The Cuff'

In his off-the-cuff remarks, Roberts attributed a communist background to Mayor Samuel Yorty of Los Angeles —a charge Yorty denounced as ridiculous — and accused Assistant Secretary of State G. Mennen Williams of leftist leanings. Williams has been on a trip to Africa.

Stahr decided after an investigation, the Defense Department announced, that Roberts had "violated traditional standards of conduct for an officer of the U.S. Army."

The department said this finding "followed official inquiry into the circumstances surrounding the making of the speech and a study of the contents of the speech."

Keep Reserve Rank

An Army spokesman said the order relieving Roberts from active duty is effective May 7. The 47-year-old major will retain his reserve commission.

The spokesman said the Army plans no further action against Roberts "as of today," implying the case was perhaps not yet closed.

Roberts, who formerly served under the controversial ex-Maj. Gen. Edwin A. Walker in Germany, was suspended from duty a few hours after he made the speech. The Army ordered him restricted to his post at Fort Lee, Va., pending an investigation.

Roberts has claimed authorship of the "pro-blue" troop information program that figured in the Walker controversy. Walker resigned his commission last year after the Army admonished him for statements he made about some prominent Americans and for allegedly trying to influence the 1960 Congressional election votes of men in his command.

MAJ. ARCH E. ROBERTS

Walker, who is now a candidate for the Democratic nomination for governor of Texas, called Roberts a "hard line anti-communist who knows his business."

Yorty Says Firing Of Major Good

Los Angeles (UPI)—Mayor Sam Yorty said Friday he believed the Army acted in a "very proper and very swift" manner in handling the case of Maj. Arch E. Roberts, who had charged a week ago that Yorty had a "communist background."

"I think the Army has handled the Roberts' matter in a very expeditious and very intelligent manner," Yorty said in a prepared statement when informed the Army had fired Roberts from active duty.

"This officer has now been denied the use of the uniform of an active duty officer in which to make his wild and irresponsible charges," said Yorty, a former Lincolnite.

"Actually," Yorty continued, "wild charges like those made by Mr. Roberts can only help the communist cause, simply because they cause so much confusion and they have a tendency to discredit genuine anti-communist movements."

Activated Army Units To Be Home Aug. 11

From Press Dispatches

The Army announced Friday that all reserve and National Guard units called to active duty last October, including 4 Nebraska companies, will be released by Aug. 11.

The order will affect all 110,000 guardsmen and reservists called up last year. President Kennedy had announced they would be released in August, but he let the individual services pick the exact date.

Demobilization will start Aug. 1, the Army said. All units will be returned to civilian life by Aug. 11. Distance from duty station and other considerations will determine the actual return date.

Nebraska Adjutant Gen. Lyle Welch said the release date for the Nebraska Guardsmen would be mailed to the state Saturday.

The 4 Nebraska units are the 24th Medical Air Ambulance Company of Wahoo; the 1057th Light Transportation Company of York; the 1056th Transportation Company of Crete, and the 82nd Field Hospital Company of Omaha.

Morrison Claims Seaton Questions 'Honesty, Integrity'

. . . Republican Charges Donations Asked At Statehouse

By BETTY PERSON
Star Staff Writer

Gov. Frank Morrison sent a telegram to GOP gubernatorial candidate Fred Seaton Friday night charging that Seaton has questioned his "honesty and integrity by accusing me of coercing state employes to contribute to my campaign," Morrison continued, "please state it as such and we will examine it publicly on this basis.

"If not, let us direct attention to the issues important to the State of Nebraska. If this is to be an issue, it should be considered an issue. Otherwise, your charge is a frivolous and irresponsible utterance which does not merit my time or public consideration," Morrison said.

'Solicited, Coerced'

This was Morrison's latest reply to a statement earlier by Seaton in which he said state employes "of both Democratic and Republican persuasion are being solicited and coerced into donating money to Governor Morrison's campaign for re-election.

"No State of Nebraska employe will be asked to donate to my campaign and I will refuse to accept any such donation if it is offered. Furthermore, if elected governor, I will neither solicit nor accept donations from an employe of the state," Seaton continued.

"Kickbacks of salaries of state employes at best inevitably result in favoritism and inefficiency and at worst in utter corruption," Seaton said.

Asks Joint Policy

The GOP candidate then called on Morrison to join him in announcing a policy of not soliciting state employes for campaign funds and for a complete refusal to accept such funds from them.

Seaton said he would further recommend to the governor that he "immediately instruct his agents to return to the state's employes all the money which they have already collected from them."

Morrison immediately replied that it has "long been the policy of this administration that no state employe should be solicited for campaign contributions for anybody."

Morrison said that "months ago I issued an order to all department heads requesting that no solicitation be allowed from state employes for political purposes, and if any state employe has requested or solicited funds for political candidates, the same was done without my knowledge or consent and contrary to the established order and policy of this administration."

In his telegram to Seaton Friday night, Morrison then said:

"During recent weeks it has been divulged that an assistant under you while you were secretary of interior was involved in fraud totalling some $100,000.

"National magazines and news media have reported that you may be called before a Senate Investigating Committee to testify concerning the billion dollar stockpiling of strategic materials in which some irregularities have been found.

"In neither case have I publicly or privately discussed these matters because to do so would be a direct attack upon your character and would infer your direct participation in wrongdoing without opportunity to publicly refute any such accusation.

"These are issues which, in the hands of some politicians, would easily have been exploited and which are gigantic in scope and consequence.

"Therefore, I had purposely avoided these questions in the hope that this campaign could be keyed to the important factors of Nebraska's future," Morrison said.

Most Important Meet On Berlin Ranges Wide

Washington (AP)— Secretary of State Dean Rusk and Russian Ambassador Anatoly F. Dobrynin met for an hour and a half Friday in a wide-ranging discussion which was the most important so far of the new U.S.-Soviet talks on Berlin.

Informed sources said Rusk stressed U.S. determination to keep Western troops in West Berlin and asked the Soviet envoy for clarification of Moscow's hints there can be accommodation on that issue.

Rusk also dealt with broader problems involving all Germany, including the peace treaty question and the U.S. policy against giving atomic weapons to non-nuclear powers. The Russians are interested in getting an agreement to ban nuclear arms for the Germans.

This was the first time in their 3 meetings so far that Rusk and Dobrynin have gone deeply into the substance of the questions involved in the Berlin dispute. The earlier meetings, on April 16 and 23, were said to have dealt mainly with procedure for future talks.

Friday's session, held in Rusk's office with only one aide of each present, was called by Rusk to get some points and inquiries across to the Russians before his weekend departure on a two-week global trip.

He expects future meetings with Dobrynin after his return but no specific further engagement was set.

Since Rusk saw Dobrynin last Monday, both Gromyko and Soviet Premier Khrushchev had issued statements indicating Moscow's plans for an East German peace treaty and neutralization of West Berlin are at odds with the Western intent to keep the communist-encircled city free. Rusk used this meeting to probe whether the Kremlin's private position would show any more give than its public one.

Missing Child Age 9, Sought

–Last Seen After School–

Nine-year-old Deborah Elaine Garmann, last seen at 5 p.m. Friday with a playmate, became the target of an intensive police search late Friday night.

Early Saturday, Police Chief Joe T. Carroll said: "We're checking all angles of the matter and not overlooking that there might be foul play."

Daughter of Mr. and Mrs. Henry Garmann of 1430 No. 21st, Deborah was described as short for her age (under 4 feet), weighing about 50 pounds, with brown hair, blue eyes, and wearing a pink dress, black and white shoes and no coat.

Officers Fan Out

Fifty police officers fanned out over the entire city which was divided into search zones. In the little girl's neighborhood, police conducted an intensive house-to-house search, waking residents when necessary for a complete check.

The department's 3 police dogs aided in trying to track down the missing girl.

Radio and television stations were notified. Other cities' police departments were called. The Nebraska Safety Patrol and the Lancaster County sheriff's office alerted neighboring states and counties.

Due Home 4 p.m.

Shortly before 1 a.m. Saturday, the principal of Clinton School at 29th and Holdrege opened the building to be searched.

Deborah was due home from school at 4 p.m. Friday.

She was last seen at 29th and Starr—6 blocks from Clinton School—about 5 p.m. At that time, police noted, she asked her playmate's mother what time it was and then started home.

The playmate's mother told police she saw Deborah turn the corner and fall down. The missing girl got up, crying, and walked off in the direction of home.

Deborah's parents, Carroll said, looked for her themselves until 8:30 p.m. Then they called police.

Officers began searching immediately. Twenty-five officers were held over from the shift that was due to get off at 10:30 p.m. Twenty-five more on the incoming shift were detailed to the search.

Police were checking alleys, parked cars, open garages and other spots where officers thought she may have fallen asleep.

With a shortage of cruisers and motorcycles, police officers were requested to use their own private cars in the investigation, if necessary.

Clouds, More Wind Forecast

Partly cloudy skies with increasing southerly winds are forecast for Saturday.

Winds will reach 30 to 40 mph in the central portion Saturday afternoon, the Weather Bureau said. Highs over the state will be in the mid-70s. The Lincoln high will be 68 to 73.

The state high Friday was 68 at Scottsbluff and Grand Island. Scottsbluff had the low of 40. In Lincoln it was 60 and 54.

Precipitation over the state was slight Friday. Offutt Air Force Base and Chadron both reported the high of .38 inch.

Demo Chairman Bailey Slates Omaha Speech

Democratic National Chairman John Bailey will conduct a campaign workshop and speak at a fund-raising dinner in Omaha June 15, The Star learned Friday.

Bailey is slated to head a team of 6 members of the Democratic national committee who will come to Nebraska for the event.

State Chairman Russell Hanson of Newcastle is expected to make a formal announcement of the plans during Jefferson-Jackson Day meetings in Omaha Saturday.

Meanwhile, Democrats were looking for a mob of some 1,200 contributors at the $25-a-plate fund-raising dinner which caps Saturday's events.

Sen. Gale McGee of Wyoming, a native Nebraskan, is the featured speaker. He will arrive in Omaha at 3:30 p.m.

The 7 p.m. dinner follows a full day of activities highlighted by a meeting of county chairmen at 1:30 p.m. and a state central committee session at 2:30 p.m.

Hanson will host a reception at 4 p.m.

All official activities other than the dinner will be held at the Sheraton-Fontenelle Hotel. The banquet is scheduled for the city auditorium.

In other activities, Gov. Frank Morrison will host a luncheon for county chairmen and state central committee members at the Fontenelle at noon.

Democratic First District congressional candidate Clair Callan has scheduled a breakfast meeting at the Athletic Club beginning at 8 a.m.

Bailey's June workshop will feature party organization, issues and campaign tactics. Nebraska county chairmen, candidates and other party officials will be invited to participate.

President Welcomes Macmillan

Washington (AP) — President Kennedy returned late Friday from an Easter week holiday at Palm Beach, Fla., just in time to welcome British Prime Minister Harold Macmillan for a two-day discussion of world trouble spots.

The President, who went to Florida with his family 10 days ago, touched down at nearby Andrews Air Force Base, Md., after a two-hour flight. Seventeen minutes later Macmillan's plane arrived from New York.

In the formal welcoming ceremony, both noted that this will be their fifth get-together since Kennedy took office in January last year. The prime minister said he was pleased that such discussions are becoming normal.

Macmillan said he was "grateful for the chance to be here, epecially at this time when, although there is much cause for anxiety, there is also much need for patience and firmness combined."

Kennedy said those people who wonder "what we talk about" at such meetings should "take a map of the world and trace those nations scattered around the globe whose security, integrity and freedom the United States and Britain are committed to maintain."

Steve Gage, a University of Nebraska senior, has been named to a national magazine's "all-America" team of 10 outstanding collegians.

The current issue of Campus Illustrated lists Gage and 9 other students as the "top 10" in terms of scholarship and leadership.

Gage, son of Mr. and Mrs. John R. Gage, 4157 Holly Rd., is president of the Student Council, past secretary of the Big 8 Interfraternity Council, treasurer of Innocents Society and a member of Phi Beta Kappa.

A mechanical engineering major, he was named "Outstanding Nebraskan" by the Daily Nebraskan for the fall semester.

Bartley Man Dies In One-Car Crash

McCook (AP)—A Bartley man was killed Friday afternoon when his car went out of control one mile west of Indianola, the State Patrol reported.

The victim was James W. Foster, 21.

The patrol said Foster was thrown from his car and the vehicle rolled on top of him. The accident occurred on U.S. 6 and 34.

The death was the 80th traffic fatality of the year in Nebraska compared with 90 on the same date a year ago.

West Won't Accept Any Berlin 'Loss'--Clay

Removal Of 'Cause Of War' Urgent Need

Berlin (AP) — **Retired U.S. Gen. Lucius D. Clay said Friday night the West will reject "anything that is a loss" in negotiations over Berlin, but must try to find "something that removes Berlin as a possible cause of war."**

Gen. Clay

Clay is winding up an 8-month stay as President Kennedy's personal representative. He spoke in a forum with German editors recorded for television by Radio Free Berlin.

Clay declared the West will not grant diplomatic recognition to the communist regime of East Germany. He said he is not happy at the prospect of the East German authorities being given a share in control of the access routes to Berlin, but it was something that had to be carefully thought out.

"As for so-called de facto recognition, I don't know at what stage that becomes objectionable to the West and at what stage it becomes a fact of life we have to live with," he added.

He said there would be full discussion with the government of Chancellor Konrad Adenauer, "because it would not be wise for the United States to accept anything not agreed with the federal government."

The United States could not afford to lose the friendship of West Germany through American overtures to Moscow, he said. He added that the federal republic must recognize that the United States had many allies and it was essential to get a united front.

He called this "the most understood aspect of the talks" and urged Bonn to have trust in the United States and confidence it is not going to be sold down the river."

Ban On 'War Propaganda' Demand Rejected By U.S.

... It Would Violate Citizen's Rights—Dean

Geneva (AP)—The United States declared Friday it could never bridge the differences in a Soviet bid to make "war propaganda" a criminal offense in all countries.

Soviet Deputy Foreign Minister Valerian A. Zorin told the 17-nation disarmament conference all states should take legislative measures intended to "put an end to war propaganda poisoning the international atmosphere."

But U.S. Ambassador Arthur H. Dean said the United States could never accept such an idea which would violate the constitutional rights of its citizens to freedom of the press, speech and assembly.

"We are profoundly convinced that the answer to war propaganda is more information within and across national frontiers, increased understanding, and larger areas of freedom for all," Dean said and aded:

"The farthest our government can go in this field is to encourage self-restraint."

Zorin flatly rejected the American position. He said dissemination or more foreign information behind the Iron Curtain would merely create more opportunities for war propaganda.

The question of war propaganda—one of the side issues of disarmaments—was referred back to the conference after Dean and Zorin failed to reach agreement in their separate discussions.

Mrs. Hemingway Ready For Safari

New York (AP) — A spokesman for Mrs. Mary Hemingway, the widow of writer Ernest Hemingway, said Friday Mrs. Hemingway will leave here in May for a safari in Africa.

The spokesman said Mrs. Hemingway, who is the executrix of her husband's estate, will leave here on May 22 for eastern Africa for a month's trip. Later, she will visit Europe for 6 weeks.

The writer died last year in Ketchem, Idaho, of a self-inflicted gun shot wound.

RetardedChild Center Plans Are Revealed

Nebraska City — Plans for a preschool center for retarded children, under the sponsorship of the Governor's Inter-Agency Committee on Mental Retardation, were announced here Friday by Mrs. L. A. Enersen, committee member.

Mrs. Enerson said a house in which to operate the center in Lincoln will be sought in the next two weeks.

Mrs. A. Stuart Hall of Lincoln will be director of the center, which will be financed by private funds, according to Mrs. Enersen.

Holds Master's

Mrs. Hall, who holds a master's degree in clinical psychology, is one of the authors of the Illinois curriculum guide for school-age trainable retarded children, and holds a certificate to teach educable and trainable children and has trained such teachers at the University of Illinois.

The announcement was made at a meeting of the Nebraska Association for Retarded Children, which also heard the Colorado superintendent for mental retardation say he is opposed to putting children in institutions at an early age.

Dr. Wesley White of Wheatridge, Colo., said many state institution programs increase the handicaps of children rather than help them, and proposed that children be kept as close to their families and community as possible.

Beatrice Needs

George Morris, director of the Nebraska Department of Institutions, told the gathering that there are two primary needs for the Beatrice State Home.

He listed them as a diagnostic treatment research center and a building for training.

Morris said the next session of the Legislature may be asked to increase the building levy in order to build the Beatrice Home "up to the job it is supposed to do."

Pompidou Gets Rather Reluctant Confidence Vote

Paris (AP)—Premier Georges Pompidou and his Cabinet won a reluctant vote of confidence Friday from the French National Assembly, 259 to 128, with 119 abstaining.

The vote officially confirmed Pompidou and his ministers in the offices they took over from the Michel Debre Cabinet 10 days ago.

But Pompidou's support was considerably less than had been expected, and his total was only a couple of notches above an absolute majority of those present for the ballot. It was less than half the Assembly's total membership of 545.

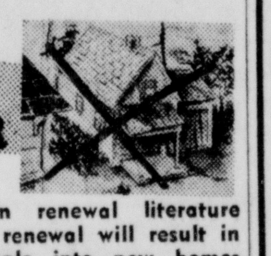
ANSWER by OUR



You have made the statement that urban renewal is vital to commercial and industrial development. What is your justification for it?

The fact that urban renewal for Lincoln has been endorsed by the Chamber of Commerce, our primary industrial development organization, should be justification enough.

But the most obvious answer to the question is this: With more and more American cities in competition for new industries, the victories are going to go to those which present the most attractive total incentive. A city which refuses to recognize that it has a real or potential slum problem is going to lose out to those which are using urban renewal as one of their tools for progress.

Lincoln cannot live on its great traditions. It must face the future or prepare itself to lose out in the competion for growth.

Anti-urban renewal literature says urban renewal will result in moving people into new homes "who do not care to keep their own houses in order." True or false?

This is one of the most vicious attacks one segment of our community could make on another. For every slothful persons in a slum area today there are scores who want and deserve better housing. In the very worst areas of Lincoln there are owner-occupants who want very much to improve their properties but who cannot because of bad conditions all around them caused largely by absentee landlords who are milking the property for all they can get out of it. To brand hundreds of our fellow-citizens as "housing delinquents" is a shameful thing and without any foundation in fact.

Hruska Hits 'Too Timid To Live' Blast; NPA Selects Montgomery

By DEAN TERRILL
Southeast Nebraska Bureau

Omaha — Recent publicizing of Nebraska as "a state too timid to live" drew fire from Sen. Roman Hruska, R-Neb, before the Nebraska Press Association's 88th annual convention Friday.

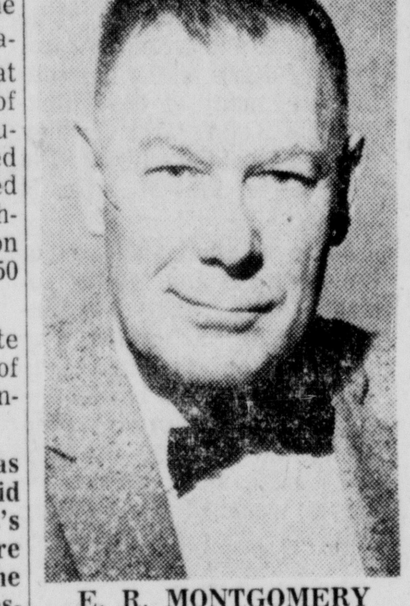
Recently returned from the Seattle World's Fair, the Omaha senator observed that "there just might be a bit of good" in Nebraska's constitutional limit of $100,000 bonded indebtedness. He contrasted this situation with Washington, where a $30 million debt has mushroomed to $550 within a few years.

"One man said that state would make pikers out of Michigan before it is finished," he continued.

Federal spending also was criticized by Hruska, who said this and "the President's grasping for more power" are the main subjects of letters he receives. He also blasted President Kennedy's action in the steel price hike controversy.

"I have an idea if the President used the same tactics against the newspaper industry, we'd hear an awful lot about it," he stated.

He also opined that "the public's right to know is not unqualified," because of the necessity of protecting some news from premature disclosure. Cited specifically were cabinet meetings and diplomatic actions.



E. R. MONTGOMERY

E. R. Montgomery of The Morrill Mail was elected NPA president, succeeding A. H. Henningsen of the Omaha Daily Record. Bob Bogue of The Oakland Independent was named vice president, and Derrel Ludi of The Wahoo Newspaper, treasurer.

A native of northeast Nebraska where he started newspapering with his father on The Beldin Progress, the new president bought The Mail in 1950. He had previous newspaper experience at Pender and Geneva.

Kerry Leggett of the Ord Quiz became a new director, while Bob Morris of The Wymore Arbor State and Don Harpst of the Cambridge Clarion were re-elected.

Ad Group Elects

Alton Wilhelms of Stromsburg will serve as president of the Nebraska Press Advertising Service Inc., replacing Bogue. Other officers include Loren Fry of Neligh, vice president; and Bill Greenlee of Oshkosh and Emory Cross of Bassett, directors.

Some 600 persons attended the Ak-Sar-Ben banquet Friday night, a highlight of the 3-day convention which ends Saturday. Principal speaker was Orville Roberts, Jr., Sinclair Pipe Line Co. representative from Independence, Kan.

At another session, the editors were told that newspapers will play a major role in promoting the current tourism program in Nebraska. David Tews, former state senator from Norfolk who now heads the Nebraskaland Foundation, asked for co-operation in the promotional program.

Ray K. Dover of The Valentine Newspaper was recognized for winning a nationwide 3rd place in the promotion of National Newspaper Week.

Top Newspapers Revealed

Omaha — Winners in Nebraska Press Association's general excellence contest was announced in Omaha Friday night at the association's 88th annual convention.

First place winners in their respective divisions were **The Sidney Telegraph, Rock County Leader** of Bassett, **Hemingford ledger** and the **"Springview Herald.** The contest is open to all of Nebraska's non-daily newspapers. There are 227 such newspapers in the state.

The Sidney Telegraph is a tri-weekly published by J. C. Bush and J. H. Lowe and has been a winner in the past. The Telegraph won the largest division, class 4, for newspapers in towns of over 2,000 population.

First place in class 3, for newspapers published in towns of 1,000 to 2,000, was awarded to the north-central weekly, the Rock County Leader, published by Emory Cross in the county seat Bassett.

Typographical excellence was one factor in Hemingford Ledger's winning of first place in class 2, for towns of 500 to 1,000. That far-western weekly is published by the father-son team of A.M. and A. E. Kuhn.

First place in class 1, for papers published in towns of under 500 went to the Springview Herald, edited and operated in the county seat of Keya Paha in north Nebraska by Avery Mullin. The Springview paper is owned by Emory Cross of Bassett, the class 3 division winner.

First place winners were presented with walnut and bronze plaques by NPA President A. H. Henningsen at the annual Ak-Sar-Ben banquet at the Sheraton-Fontenelle hotel. Following is a complete list of all winners in general excellence:

Class 4 (over 2,000 population)
First: Sidney Telegraph, J. C. Bush and J. H. Lowe, co-publishers.
Second: Western Nebraska Observer, Kimball, Art Henrickson, publisher.
Class 3 (1,000 to 2,000 population)
First: Rock County Leader, Bassett, Emory Cross, publisher.
Second: Neligh Leader, A. A. "Bud" Pagel, publisher.
Honorable Mention: Oakland Independent, Bob Bogue, publisher.
Class 2 (500 to 1,000 population)
First: Hemingford Ledger, A. M. and A. E. Kuhn, co-publishers.
Second: Lyons Mirror-Sun, Stan Samuelson, publisher.
Class 1 (popultaion under 500)
First: Springview Herald, Avery Mullin, editor.
Second: Comstock News, Edw. Krikac, publisher.

The Knights of Ak-Sar-Ben presented their annual community service plaques, cash awards and citations to Nebraska newspapers.

Ak-Sar-Ben Governor Jess L. Thurmond, chairman of the organization's Public Affairs Committee, gave the walnut plaques and $200 cash awards to 4 newspapers in recognition of their outstanding activities and projects benefitting their home communities.

The following newspapers received these top awards:

Wakefield Republican, Wakefield — Mrs. Esther Turney, editor. For its strong editorial position on school reorganization. Wakefield was a test site on the problem.

Comstock News, Comstock—Edward S. Krikac, editor. For its outstanding accomplishments in view of the community's small size.

Wauneta Breeze, Wauneta—Stanley C. Smith, editor. For promoting a poet laureate, a fine contribution to Nebraska culture.

Osceola Record, Osceola — Don Waterman, editor. For excellent support of several worthwhile community projects.

Newspapers receiving Award of Merit citations from Ak-Sar-Ben included the Auburn Newspapers, Valentine Newspaper, Wahoo Newspaper, Blue Hill Leader, Creighton News, Arapahoe Public Mirror and Plainview News.

The Knights of Ak-Sar-Ben also honored 4 newspapers which were judged outstanding in their services to agriculture during the past year.

Bronze plaques and $100 cash awards went to each of the following newspapers:

Sidney Telegraph, Sidney, J. C. Bush and J. H. Lowe, editors (winner for town over 2,000 population). For strong emphasis on agricultural news, excellent editorials and features and good art work.

Wisner News - Chronicle, Stanley Norris, editor, and **Stanton Register,** Marlin G. Waechter, editor (winners for towns of up to 1,000 and 2,000 population). For displaying excellent ingenuity and fine use of art.

Bertrand Herald, Everette Waters, editor (winner for towns of up to 1,000 population). For diversification, good balance and devoting much space to agriculture.

New Courthouse To Be Dedicated

Arthur (AP) — Saturday is the day Arthur County "officially" moves out of what may be the nation's tiniest courthouse into one of Nebraska's most modern county seat buildings.

Dedication will be held Saturday afternoon for the new $53,000 Arthur County Courthouse and library.

The structure contains offices for the sheriff, superintendent, judge, clerk, treasurer, jail, rest rooms, commissioner's room and library.

In addition for being noted as having the smallest county seat building, Arthur County also claimed the distinction of being the youngest county in the state, established in 1913.

Arthur's tiny frame two-room courthouse will be kept in Arthur as a museum piece—along with Arthur's "cowboy rest home," a home built from railroad ties and a church built of baled hay.

York College Qualified For Trust Fund

...Claims President

Lincoln Star Special

York — York College, debt free, has met other specifications necessary to qualify for the $50,000 trust fund from C. A. McCloud, deceased, administrators of the college testified at a York County court hearing Friday.

President Dale Larsen asked by counsel for some of the residuary legatees under the will of the late Mr. McCloud if it isn't true that there is no connection between York College under the old sponsorship (EUB) and the present college, stated that there is a connection, that it is the same corporate structure and recognized as such by the Internal Revenue.

He also said that a year ago an architect was engaged to design a women's dormitory of approximately $200,000 on the college campus. There are no funds for this as yet, and it is necessary that the funds be collected before the building can start since the college is prohibited from mortgaging any buildings, he explained.

The will of the late Mr. McCloud established a trust fund of $50,000 to York College, payable at the end of 25 years providing the college was at that time free of debt. President Larsen testified that the college is free of debt. During the 25 year period the college has had the income from the trust fund.

Counsel for the legatees asked the court to allow time for briefs to be filed. Judge Hermann Glock took the case under advisement, expecting to hear from the legatees' counsel the first of the week.

June 1 Set For G.I. Bus Hearing

A hearing which has been scheduled in Grand Island Friday on the application of two firms to operate bus service in the city has been continued until June 1, 1962, the Nebraska Railway Commission reported.

Applicants are G.I. Bus Lines and Zone Bus Lines, both of Grand Island.

The June 1 public hearing will begin at 10 a.m. in the Grand Island Council chambers.

State Knights Templar Tabs E. M. Knight

Omaha (AP) — Edward M. Knight of Alliance was elected grand commander of the Knights Templar of Nebraska Friday.

Knight thus becomes one of two members of his family serving as a state officer of the Masonic organization. His father, Reuben E. Knight of Alliance has been grand treasurer for 20 years.

A 3rd Alliance man was appointed to take his place in line for eventual election as grand commander. E. J. Serensen became grand captain.

Reese Chosen

Others elected or appointed as the organization's 90th grand conclave ended were:

Ralph R. Carleton of Lodgepole, deputy grand commander; H. Hassel Taylor of Omaha, grand generalissimo; Wayne W. Reese of Lincoln, grand captain general; Louis V. Sylvester, grand senior warden; Charles F. Adams of Aurora, grand junior warden; Carl R. Greisen of Omaha, grand recorder; Harold H. Thom of Omaha, grand pretate; Eugene S. Whitney of Beatrice, grand standard bearer; Leslie R. Kister of Salem, grand sword bearer and Peter C. Burt of Omaha, grand warden.

Gage County Extension Agent Wins $3,000 4-H Fellowship

Washington, D.C.—A Gage County, Nebraska, Extension agent has been named winner of a $3,000 National 4-H Fellowship, it was announced here Friday.

Miss Barelman

She is Marcele Barelman of Beatrice, Neb., who was named as one of 6 Extension workers in the nation to receive a National 4-H Fellowship sponsored by Massey-Ferguson, Inc., Detroit, Mich. and the National 4-H Service Committee at Chicago, Ill.

The announcement was made here Friday at the final session of the 34th annual National 4-H Club Conference.

The National 4-H Fellowship Award program provides for 12 months residence and study in Washington, D.C., from September, 1962, to August, 1963. The program provides an opportunity for Extension work.

Miss Barelman, the daughter of Mr. and Mrs. Herbert Barelman of Wakefield, has been employed as Gage County Extension Agent since 1959. A home economics graduate of the University of Nebraska, she also attended the Wayne State Teachers College.

Mass Transit Problems

By WILLIAM O. DOBLER

Testifying before the Senate Banking subcommittee, Housing Administrator Robert C. Weaver stated that mass transit systems in the U.S. are in need of broad federal assistance to make needed improvements in service. He spoke in favor of an administration-sponsored bill proposing to make available to the mass transit industry a total of $500 million in aid over three years. This is a program which again raises the question of federal participation in the economic affairs of the nation.

There are those who will automatically oppose the aid program on the basis of principle. They are opposed to federal aid in any form and base their opposition on matters of taxation, equality and freedom. But without debating this position, there is still the question of what the cities will do about their mass transportation problems. It is easy enough to say that the federal government should stay out of the picture but this doesn't solve the problem. One can take the position that mass transportation must be left to sink or swim on its own merits but this is disastrous.

No Ready Answer

Such a thing simply will not be permitted to happen. The major consideration here is not just the transit companies themselves. One needn't be concerned one way or another with these companies still to have a vital interest in their survival. If they could fail and that be the end of it, the question would be substantially narrowed but this is not the case.

Despite the declining patronage of the transit systems, there are still many people relying on them. Local businesses rely on them to bring their employes to work as well as to supply their stores with patrons. The loss of the mass transit system in Lincoln, for instance, would have a serious effect on downtown business.

★

This system is not used extensively at many times of the day and on Sundays. But it is used at peak hours of movement and this alone is enough to substantiate its importance to the community. Without this system, many people would have no means of getting to work or shopping. Others would be forced into using automobile transportation which would further complicate the parking and traffic movement problem in the city. So the question of mass transportation is one with far-reaching community interest. It isn't by any means confined to the transit companies themselves. It does not follow, of course, that the federal government can provide the only answer.

It has been well established that the transit companies will not be able to meet the problem alone. This leaves only one alternative and that is the cities themselves. In the case of Lincoln, it is possible that the problem could be solved on the local level. If it finally came to it, the city could acquire the local transit company and operate it itself or lease the operation back to the company. There is no guarantee, however, that this would be any improvement over federal assistance to keep the transit business directly in the hands of the private companies. The concept of private enterprise would actually be more preserved under a plan of federal aid than under many of the choices open to local governing bodies.

★

Also, as cities become larger, the problems of municipal operation would become more complex. Perhaps the day will come when the loss of transit systems as we know them would not be so serious but as the situation stands today, they cannot be abandoned and government assistance at some level is inevitable.

It is surprising that Lincoln has been able to stall off a decision in this matter for this long. The day will come here, however, when the issue will have to be met head-on by the city. Lincoln now is probably at a difficult stage—a point where it must provide some kind of service but of doubtful size to attempt anything radically different from the pattern of the past.

The companies themselves have already tried just about every gimmick that can be imagined. They have tried and are even using now in some areas zone fares. They have tried express service, shuttle-type service, etc., but all to little avail. The only thing that serves the need remains the bus that travels residential areas, picks up customers along the line and deposits them at various stations along the route. The problem will get more and more acute as time goes by because the transportation business is a declining one. Transportation companies can only continue to raise rates in the hope of meeting sliding patronage.

All Angles Tried

And higher rates mean fewer passengers and so the circle is an endless one of loss. Those who do not want the federal government expanding its activities have some responsibility to seek another solution to the problems which the federal government tries to tackle. Alternatives to government in mass transit are difficult to see.

Question On The Guard

The basic question on proposed cutting of the Nebraska National Guard still has not been answered by state officials. What is lacking to date is a comprehensive analysis of the Guard in the light of current military thinking and national defense policies. No official is doing his duty when he simply backs the guard for the political advantages involved.

The question in the minds of many people hinges on the application of Guard training and its state of readiness to a position of defense in today's advanced technology. Units of the Guard and Army Reserve considered for possble elimination are basically conventional fighting forces and there is a good question as to their obsolescence in this area.

Two things need to be done on this question of possible reorganization of the Guard. It must first be determined what the role of the Guard is to be in this time of nuclear weapons. If there is a place for the Guard in the so-called conventional area of possible conflict, then it should be determined whether the Guard is adequately equipped and prepared for this role.

It is no reflection upon this military organization to consider a realignment in view of changing world conditions. Every branch of the service has had to undergo what has undoutedly been a sometimes agonizing reappraisal of its organization. The Guard has been fostered on a concept of national defense that has undergone drastic change in the past 10 years and it is unrealistic to fail to recognize this.

The Students Were Unfooled

The Denver Post is proud of the college generation and sees enlightened young America as better prepared to cope with communism than many of the older generations. This is a switch for it is the older generation that is most wont to bring the whip down on higher education for its so-called liberalism.

The University of Colorado has been conducting a World Affairs Conference. Bulgarian Ambassador Dr. Peter G. Voutov appeared to present the communist position. He asserted that communists are against aggression, revolution, and counter-revolution as exportable forces. All the system wishes, he said, was friendly co-existence. It is willing to let the case of communism versus capitalism go to a verdict of history and the better system would demonstrate itself. He was certain that after a fair trial the world would choose communism.

Colorado students listened politely and carefully to everything Dr. Voutov had to say. Then it was their turn. They did what sound thinkers would do. They had heard the words. Now they wanted to examine the deeds. They asked, what of the territories seized and held by force by Russia during World War II? What about Korea? Was that not aggression? What about the absense of free expression in all the Communist countries? What about the exportation of force and revolution together with subversive cadres by Red China? What about communist activities in Africa, Latin America, Cuba? Are they not examples in opposition to the doctor's case for peaceful co-existence and non aggression?

Without raising their voices nor resorting to emotional assertions the students shredded the position of Dr. Voutov and he lost his case. He could not square performance with his words.

Editorial Of The Day

New Leftist Propaganda

From The St. Louis Post Dispatch

Though a man may like to believe he is inured against the "hard sell," especially that of the electronic spieler, his claim to total integrity may be questioned if he does not admit that he drools over advertisements of the meat packers, especially those enticing portrayals of their super-superior hams. It is possible, of course, that the evocative power stems from the hams, be they Westphalian, Missouri country smoked, or canned.

There seems to be something new in store for ham fanciers. In Wisconsin they are working out a theory that a ham from a hog's left side is better than the one from the right. University people, packers, butchers, farmers and less directly qualified experts are on the job. Even cautious observers acknowledge a difference between left-legged and right-legged hams, but they are inclined to believe that sometimes one, and sometimes the other is better. The leftists, however, seem to be in the majority with their theory that hogs favor their left sides, both while standing and lying down. Hence the circulation on the left side is not quite as good as on the right, and the meat is more tender.

And yet, we take neither the one side nor the other. But we pass along — from Wisconsin's Prof. Robert Bray — the method of telling them apart: "Place the whole ham with the flat side down and the shank to your left. If it's a left ham, the top will slope toward you. If right, it will slope away from you."

Even those waiting for the definitive word from science should not be surprised if the ham advertisers soon take a leftist line. Of course, that would leave all those right-wing hams — a lopsided problem; but we are reporting, not counseling.

DREW PEARSON

Macmillan Chides Our Brusqueness

Editor's note: While Drew Pearson is on a brief vacation, his column is being written by his associate, Jack Anderson.

WASHINGTON — Before President Kennedy and Prime Minister Macmillan sat down this weekend to chew over world problems, they had agreed privately to consider a summit meeting with Soviet Premier Khrushchev — if it would serve a "useful" purpose.

All that remains is for the American and British leaders to agree upon a definition of "useful."

Macmillan also went into the huddle with Kennedy mildly miffed over the way the Americans presented the latest test-ban proposal to the Russians.

Macmillan agreed with the text of the American proposal but felt it was offered so brusquely that the Russians had no alternative but to turn it down.

Meanwhile, the Soviet rejection has convinced both Kennedy and Macmillan that Russia will go ahead with more nuclear tests in a matter of weeks. Since it would be impossible for Soviet scientists to develop any radically new bombs for another 18 months, they probably will clean up their last series with a few more explosions.

Just as the hat industry has despaired over President Kennedy's bareheaded appearances, the shoe industry is now kicking up a fuss over the recent barefooted appearances of John F. Kennedy, Jr.

Pictures of the Kennedy toddler without shoes, the manufacturers wail, may depress the shoe market.

They can envisage parents from coast to coast saying: "The President's baby goes barefoot, so why should we buy new shoes for our kids?"

Actually, the President is keenly aware of the influence the first family has on the nation's buying habits.

Although he doesn't like hats and overcoats, he tries not to go out in cold weather without them for the sake of the hat and coat makers.

Alex Rose, boss of the Hatters, Cap, and Millinery workers, once chided Kennedy for not wearing a hat.

Retorted the president: "If I don't wear one, at least I carry a hat."

"One on the head," said Rose, waggling an admonitory finger, "is worth two in the hand."

Note: Jackie Kennedy has made up for her husband's hatless habits by causing a boom in pillbox hats. The industry was also delighted over the pictures that came back from India and Pakistan showing the first lady in a different hat in almost every photograph.

Rights Debate Opens In Senate

WASHINGTON — Another debate billed as a civil rights battle has opened in the Senate. Whether it will rate the billing depends entirely upon the Democratic leadership.

If it is willing to take the time and effort, the party leadership can get the votes for the measure to bar state literacy tests as a voting qualification. But the old roadblock — cloture to shut off debate—remains, and the South is ready to use it.

The strength of the Southerners lies not in the rule itself, but in their willingness to take the rap without complaint for members ready to settle for a sham battle. In such an engagement, all parties go home with talking points but no legislation.

Politically, the cost to the administration will not be high, for its executive vigor in the civil rights field makes up for the congressional lag. The most conspicuous gap in the Kennedy record is his failure to sign an order ending discrimination in federally-financed housing—an order he and his party are pledged to support.

☆ ☆ ☆

Republicans complain bitterly and justly of this inconsistency. They recall candidate Kennedy's attacks on President Eisenhower for not signing such an order and his effective use of White House inaction.

But they cannot capitalize effectively upon administration failures or omissions in civil rights for various reasons. They do not have a united or consistent line themselves and very often in the clinches furnish the South with needed margins.

Politically, they seem intent upon reinforcing the party in the South, and their only southern Republican senator, John Tower of Texas, cast the sole Republican "no" against the poll-tax amendment. This is noted in the places where it does them presidentially the most harm—the industrial areas with their big cities where Negroes can and do vote.

☆ ☆ ☆

The party is hurt most, however, in such areas by its determined conservatism in economic issues. Minorities are the low-paid workers of the national economy—the "last-hired, first-to-be-fired" contingent. Through the years of high employment and comparative affluence, they have acquired a political sophistication with respect to their civil rights problems, and it puts an improved economic position first on the "must" list.

Republican arguments against Democratic economics have simply not been persuasive with minority voters. Despite repeated proof of this, party leaders continue to talk of better organization in the cities and not of economics and social problems.

A fresh test of their outlook comes soon when a party conference meets to draw up a declaration of Republican principles. It is designed to overcome the rather stale look of the congressional record and the Ev and Charlie show. Short of a striking burst of pioneering energy, it cannot do much about the facts embedded in the roll calls.

ON TARGET

By DON WALTON

It is the custom to give up something for Lent.

It is considered best if you knock off an excess, a bad habit, something you would do better without.

Walton

This column returns today after a Lenten absence.

☆ ☆ ☆

Now, nobody asked, we know, but here goes anyway:

(1) Lincoln's urban renewal plan is going to be scuttled by primary voters unless the campaign in its behalf changes course fast.

We hear plenty of support for the plan—from people who live on Sheridan Blvd. Let's face it: they are not likely to be the first neighborhood to go.

Let us hear from those who will be affected who support the plan. They can be found —and they are the only ones who can save this valuable and necessary proposition.

The Lincolnites who distrust new proposals (and there are plenty of them) will listen more to the man whose home will be replaced than to the man whose home won't even feel the dust from the bulldozers.

Urban renewal is going to go the way of flouridation if this campaign's direction is not altered—and it'll be a shame, another progressive program spurned by a city whose potential surpasses its will.

☆ ☆ ☆

(2) The press has built the influence of Grand Island's Think and Act Committee far beyond its actual importance. And it ought to cut it out.

A group of a dozen (or 30, if you please) Lincolnites could gather together tonight, call themselves the Ponder and Plunge Committee, buy radio time and start grinding out press releases. Should this organization be treated as a force in Nebraska governmental affairs?

These Lincolnites might be intelligent and gifted citizens, leading lights in the community—as many of the Thinkers and Acters are. Or they might be wild-eyed nuts (the Lincolnites, that is). Who is to judge?

Some original sponsors of the Grand Island talking society are frankly disillusioned with the result. One tells me that the consensus among his friends is that the name of the organization should be changed—to Stop and Think. Perhaps the reverse would be a better order.

☆ ☆ ☆

(3) Next: Kudos to people who speak their mind. One does not necessarily have to agree with them to laud them for honestly voicing their opinions.

Kenneth Ristau of the Omaha District office of the U.S. Army Corps of Engineers told a Norfolk flood meeting not so long ago that the flooded Elkhorn Valley communities had only themselves to blame for dragging their feet on flood control projects.

Robert Crosby told a Founders' Day men's luncheon why he will vote for Phil Weaver in the Republican First District congressional primary election.

Frank Phelps, Grand Island utilities commissioner, told an Omaha municipalities conference exactly what he thinks is wrong with their organization—and he let other public power agencies have a dose of criticism while he was at it. More important, he had a proposal to offer.

☆ ☆ ☆

(4) Remnants from a recent Chicago weekend: the Windy City now has talking elevators in some of its hotels. They are answered only by the tourists.

O'Hare's new multi-million-dollar plant is a sight to see. Only trouble: by the time it is finally completed, additions will almost certainly be needed.

Midway is an almost deserted airfield today — and much of Chicago is hopping mad to see such a tremendous investment going unused. Only a couple years ago, it was one of the world's busiest terminals. Jets, air traffic, location and deterioration apparently wrote its death warrant.

Don't miss "West Side Story."

☆ ☆ ☆

(5) The reapportionment battle which is already brewing 8 full months before the opening session of the 1963 Legislature threatens to widen the gap between metropolitan state senators and those from rural areas.

Of the 43 legislators, only 7 hail from Omaha and 3 from Lincoln.

Anti-Omaha feeling is always prevalent (sadly) during a legislative session. This time, it may be worse.

Several senators are privately saying that it will cost respected and able 6-term Sen. William Moulton of Omaha the speakership. Moulton, runner-up for the honor in 1961, is still generally considered the favorite for the post.

Mentioned as a possible rural candidate has been 3-term Sen. Jules Burbach of Crofton, another hard-working, well-liked lawmaker.

Either gentleman would be a credit to the Unicameral.

The Star's editorial pages of April 16 and 17 furnish interesting, thought-provoking studies of human nature, religion and history.

Your own editorial in your usual penetrating style leaves nothing to add except to say that some writer somehwere has described a larger counterpart of the Venus fly-trap in the form of a man-eating tree. However, memory vaguely pictures the frightening tree monster as growing mostly in jungles far removed from the jungle of modern booby-traps so many of us are prone to stick our heads into.

It would seem from Mr. Huss' article that the Cuban invasion fiasco was caused by too many butting into something they didn't know enough about. On the other hand, it is the doubting Thomases delving into the bottom of the unknown for all the facts who are responsible for bringing to the surface much of the truth in this world.

Incidentally, the disciple Thomas wrote a gospel of the life of Christ that the ecclesiastical bigwigs in King James' time threw out as "heretical." The first three gospels they did keep were obviously all more or less copied from a common origin. Peter, also, wrote a gospel that describes the resurrection as occurring the same day as the crucifixion. Thomas evidently dug deeply into the whole life of Jesus, seeking all the facts, stories and gossip anybody knew anything about from the time Jesus was a small child, and he left a record of them that very few in this day know anything about.

Anita Clark, who is always interesting, gives the whole history of Easter eggs. One gathers that all the "small fry" know or care about Easter is the rabbit with his basket of colored eggs hopping across the lawn.

Childhood Stories

Ansley, Neb.

As a child, my mother used to tell us many good stories. One concerned a little bird, a duck or a pigeon. In his growing period, he wouldn't eat his grit and food like the other birds. He did very little exercising or anything else, as a matter of fact. Finally the day came for the birds to fly away to a new location. The little bird tried very hard to fly away with the others but found out to his sorrow that he did not have the strength to do so. So he was left behind.

These stories of my mother's always had a good moral and we often think of them yet.

National Guard

Lincoln, Neb.

Gov. Morrison should realize that it is no longer a political "must" to equate the National Guard with "God and Motherhood."

It is a knee-slapping joke to hear the nation's governors now crying "foul" when the federal government — which pays the bill for the National Guard, only to catch hell when it calls upon these so-called "Minutemen" for active duty — attempts to modernize it.

Recent events have proven unquestionably that the National Guard is neither trained to meet any emergency, nor willing to make any sacrifice. Gov. Morrison, who had two of his tough, battle-ready outfits bawl their eyes out when their services were needed by the federal government, should be aware of an obvious situation, but he speaks about the "need" for the National Guard in these days of peril.

Hogwash. The Guard proved during the Berlin crisis that it is 100% ready for anything — as long as it doesn't interfere with any civilian plans.

The time has long since passed to remodel the National Guard, redesigning it as a purposeful dedicated force, rather than a political football, a haven for active duty dodgers and an income supplement device for many who wouldn't be found within 100 miles of a uniform if Uncle Sam wasn't boosting their tax bracket for weekend "grinds."

I cannot understand why Gov. Morrison places the political-patronage value of the National Guard above the best interests of the United States government, which wisely has decided to make the Guard shape up. But since he has seen fit to join the other governors in this you-can't-tamper-with-our-gravy-train-even-if-you-do-pay-the-bill movement, I must strike the only blow I can and deny him my vote.

LIFE BEGINS AT FORTY:

Frenchwoman Turns Beatnik Study Into Career

By ROBERT PETERSON

My search for seniors pursuing unusual avenues to personal satisfaction led me recently to a woman who has become interested in beatniks.

"They're fascinating people," said Mrs. Olga DuboscIard, 62, an alert, slender woman with a deep tan and straight gray hair who came to this country from France decades ago. When she was widowed recently she began supporting herself by teaching French and Russian. She also took up lecturing and free lance writing.

"When a magazine asked me to do an article on beatniks I barely knew what the word meant. But I went to Venice, Calif., and spent several weeks observing the 2,000 or more beatniks who live in that general area. I discovered that most beatniks are highly intelligent and that their name derives from their belief that nothing is so important as the beating heart and life itself.

"Many are ex-GI's who have seen death at close range and realize how fleeting life really is. They have also seen how primitive man lives and how little money one needs to survive."

She added the astonishing news that Woodrow Wilson is regarded as the patron saint of the beatniks because of his declarations following World War I urging young men and women to strive toward intellectual and spiritual goals, rather than material ones.

"The public often labels beatniks as bums because of their distaste for ordinary work.

"But beatniks take the view that life is too precious to be wasted at a mundane job, and that work should be pursued merely to permit purchase of the bare necessities.

"They meditate and study a great deal. They love to meet in groups to discuss history, music, art, literature, and philosophy. They are extremely creative and spend much of their time experimenting with new forms in painting, sculpture, poetry, and essays. And as a group they seem very contented and enjoy a warm camaraderie among themselves.

"Now that I'm past 60," she concluded, "I intend to adopt a few beatnik principles myself. With my language and writing skills I can always earn a living. But instead of overworking myself and piling up more money than I need, I intend to devote more time to my personal and intellectual development and less time to the pursuit of physical comfort and personal vanity. The beatniks have convinced me that few things are more important than the development of one's inner self and doing exactly what you want to do—so long as it is within the law."

Maybe she's got something. Of course, society as we know it would fold up if everyone adopted the beatnik philosophy. We'd all be out meditating and there'd be no one left to assemble autos, sell toothpaste, and grow artichokes. But I don't think we're in any danger and it probably wouldn't hurt if we gave less thought to the accumulation of money, beyond that actually required, and more time to expressing our inner selves.

Omaha Area's School Problems Involve Basic Issues

A Legislative Council study committee on educational problems concerned itself with the Omaha metropolitan area's school difficulties Friday and found itself discussing such basics as compulsory redistricting, state aid and taxing policies.

Although much of the committee meeting was open, the 6 participating senators went into executive session when it appeared possible a vote might be taken on the compulsory redistricting question.

The committee's ultimate recommendations will not be made known until November.

Little Time Left

Sen. Ed McHugh of Murdock, committee chairman, commented in advance of the meeting that the Legislature "has a direct responsibility to provide for public education in this state" and basic decisions on the matter "can't be postponed much longer."

In their studies of the Douglas-Sarpy-Cass County school problems, lawmakers have discovered that the school tax levy on one side of a road was 17 mills, on the other side, 60 mills.

"These terrific tax inequalities mean terrific education inequalities," he suggested.

McHugh said letters containing proposed solutions to the Omaha area problems have come from all Douglas and Sarpy schools except Valley, Waterloo, Yutan and Bennington, plus Plattsmouth in Cass County.

Favor State Aid

Most of the schools favor a system of state aid, he said.

Secondly, the schools favor a system in which individual districts would maintain their identity and control but valuation would be pooled and a common levy applied.

Only as a last resort do the schools want to be thrown into an expanded Omaha school district, he said.

Omaha Sen. George Syas said the intermediate district arrangement would be taxation without representation. He said Omaha taxpayers could not be expected to help pay for the education of Gretna district pupils and then have no voice in how the money was expended.

32 Reds Now Dead

Saigon (AP) — South Viet Nam claimed its forces killed 32 communist guerrillas in an operation 27 miles southwest of here. Government casualties reported were two wounded.

Roads Dept. Can Change Interstate Speed

State Engineer John Hossa has determined that the State Department of Roads has the power to change existing speeds on the Interstate and Friday said he would study a request by State Sen. Jack Romans of Ord that the minimum be reduced on two hills to accommodate truckers.

The 1961 Legislature set a 75-mile-an-hour maximum and a 40-mile-an-hour minimum on the Interstate Highway.

Romans asked Hossack to see about lowering the minimum at two points between Omaha and Lincoln. He said some trucks cannot climb hills leading out of the Platte River valley at speeds of 40 or faster.

Hossack planned to ask the attorney general whether his department was authorized to change the speeds, but instead checked it himself.

Change for Safety

He said the law says the Highway Department has the right to raise or lower Interstate speeds for safety, if the change is based on an engineer's study.

But Hossack said Romans' request might not be in the best interest of safety.

If trucks were allowed to climb these hills at less than 40-miles-an-hour, other motorists going the allowable maximum might be affected, he said.

Hossack said it was a matter of determining how many truckers are inconvenienced now and then relating this to the possible hazard a lower minimum would cause at those two locations.

Air, Underground Atom Tests Held

Washington (UPI) — The United States Friday exploded the second "plane drop" nuclear shot of its Pacific test series and then set off a low yield underground explosion at its Nevada testing site.

The "intermediate yield" device detonated in the Pacific, like the first on Wednesday, had an explosive force lying somewhere between 20,000 tons and one million tons of TNT. Most probably, it was in the 100,000-ton range.

The Pacific tests could be part of this country's attempt to pack more punch per pound into intercontinental missile warheads.

Less than 5 hours after announcing the Pacific explosion, the Atomic Energy Commission also announced that a nuclear device of low yield — explosive force equal to less than 20,000 tons of TNT — had been exploded underground in Nevada.

It was the 30th announced underground U.S. nuclear explosion there since President Kennedy ordered the no-fallout tests on the heels of Russia's big test series last fall.

Last Tuesday the president reluctantly ordered a go-ahead on U.S. atmospheric tests in the Pacific to keep the United States abreast — or ahead — of Russia in weapons that scientists said could only be fully tested above ground.

The first atmospheric test followed the next day at daybreak over the mid-Pacific. The second test was Friday at about the same time. Like the earlier test, the weapon was dropped from an airplane near British-held Christmas Island.

Explosions are scheduled later at Johnston Island, the U.S. Pacific testing site. They are expected to involve experiments on the edge of space.

The Atomic Energy Commission has given no hint as to the purpose of the Pacific tests to date. But non-government experts speculated that they were concerned with attempts to get more nuclear yield per pound of weapon for missile warheads.

President Kennedy announced in advance of the series that such attempts would be made. In line with these aims, the United States will detonate nuclear warheads for all types of intercontinental missiles, as well as the submarine-fired Polaris.

The second explosion came as anti-test demonstrations were staged by extreme left-wing Japanese students before the U.S. embassy in Tokyo. Milder protests were staged in other countries. In general, neutral nations continued to express disapproval while Western Europe backed the President's reluctant decision to proceed with the tests.

Court Asked For Final Judgment In Sorrell Case

The Nebraska Supreme Court was asked Friday to render a summary-final-judgment in the dismissal of former Liquor Control Commissioner Frank Sorrell of Syracuse.

If the motion by the attorney general's office is sustained, the court will make the final judgment solely on the basis of previous testimony and pleadings in the case. There would be no new arguments.

The state's motion will be heard May 7.

A final judgment by the high court would make moot an appeal Sorrell has brought in Lancaster District Court.

He was fired from his commission job in January by Gov. Frank Morrison who held a hearing and decided that Sorrell had violated a conflict of interest statute by placing sale advertisements in newspapers for two liquor licensees.

Youths Talk Over Ideas On Ministry

Fifteen high school students and college freshmen from Nebraska and 5 from South Dakota met at the Hall of Youth on the University of Nebraska's Ag Campus Friday night to exchange ideas on the ministry as a vocation.

This is the second annual Church Vocations Conference, hosted by the United Church of Christ.

Many of the youths attending the two-day meeting already feel drawn to the church as a vocation, the Rev. Eugene Van Kranenburgh of Omaha Countryside Church said.

"Our purpose here is to relate ourselves to them in such a way that they can discover some of the answers," the Omaha pastor said.

The Rev. Ken Whitmer of Lincoln's First Plymouth Church said churchmen had to give inquisitive youths something constructive to think about so the young persons may better evaluate the increasing recruiting pressure from business, science and government.

A similar conference was held at Doane College last April.

Keg's On-Sale Beer License Suspended

The on-sale beer license for The Keg, West Lincoln, was suspended by the Liquor Commission for 7 days effective at the closing hour May 10.

The licensees, Joseph and Emily Toscano, were found guilty on two counts of selling beer to minors.

NEW WAY TO BE SUDDENLY SLIM

Are you a woman whose figure is on the good side but might look perfect? You'll be thrilled by the new easy way science has discovered for you to become Suddenly Slim. If you're more than 15 pounds overweight, then this idea is not for you. If your weight problem falls within this range, then you can realize a new, smoother figure today, without diet or exercise.

Suddenly Slim is an all-new kind of 4-oz. girdle constructed of science fibers. A startling innovation is the sheer front panel. This is permanently stiffened by a science process and cannot give or sag. It's surrounded by a slimming action border. A featherstitched panel down each side of this girdle will contour your hips if they are a problem. The girdle itself is of "wonder" Lycra spandex fiber. It feels like nothing on but has such slimming strength it gives your figure everything that's possible with a foundation.

"Suddenly Slim" is the peak achievement of the designer-genius, Olga.

Be "Suddenly Slim" today in either girdle or panty version. Call Foundations, Miller & Paine, 432-8511 now.

Davenport, Iowa, Auto Thief Gets 18 Mos.-3 Years

Lancaster District Judge Elmer Scheele sentenced a Davenport, Iowa, man to an indeterminate sentence of from 18 months to 3 years in the Men's Reformatory on a charge of auto theft.

Ronald McComber pleaded guilty to the charge April 24 of stealing an automobile belonging to Simpson Motor Imports January 4.

He was originally placed on probation on the charge, but due to non-compliance with probation agreement, was brought back into court on the original charge.

Erbe Asks To See Kennedy On Guard Cut

Des Moines (AP) —Gov Norman Erbe of Iowa Friday requested a meeting with President Kennedy over the proposed realignment of the National Guard.

Erbe, selected to head a governor's committee to meet with the President, told Kennedy in a telegram:

"All efforts to secure a personal appointment with you for the governors' committee representing 50 states in regard to the National Guard problem of realignment have been fruitless.

"We are vitally concerned with the problem and feel that certain matters should be brought to your attention by the governors of the 50 states and respectfully request a personal audience with you."

The National Guard Bureau informed Erbe Thursday that one battle group of more than 800 men will be cut from Iowa National Guard strength under the proposed realignment.

Erbe and governors of several other states, including Nebraska's Gov. Frank Morrison, are resisting attempts to trim the Guard.

STOCK DIP TO LOW FOR YEAR

New York (AP) — The Stock Market sank Friday to its lowest level of the year on a surge of selling.

Recently battered steels withstood the current and posted gains.

Prices advanced during the morning, but withered under the avalanche of sales. The ticker tape ran 3 minutes late.

An estimated $3.5 billion was clipped from the quoted value of stocks listed on the New York Stock Exchange, based on the decline of the Associated Press 60-stock average.

The AP average fell 2.40 to 247.90, low for the year. The Dow Jones average of 30 industrials dropped 6.48 to 672.-20, also a 1962 low.

Slavery Persists

New Delhi, India (AP) — Slavery persists in remote areas of India's northeast frontier districts, despite government attempts to eradicate it, the minister of state for foreign affairs, Mrs. Laskhmi Menon, told questioners in parliament.

State Ag Department Told 'Get Tough' On Bad Checks For Motor Fuel Taxes

By BETTY PERSON
Star Staff Writer

The State Department of Agriculture has been advised informally to "get tough" in the administration of delinquency penalties against motor fuel and special fuel dealers who pay their gas tax with insufficient fund checks.

The matter came to light during the State Auditing Office's routine annual audit of the Department of Agriculture and Inspection which is charged with the responsibility of collecting motor fuel and special fuel taxes for the state.

Penalties for late payment of the taxes are a nominal one percent of the tax on special fuels, and a stiffer one-half cent per gallon charge on gasoline.

Both the number of delinquencies resulting from insufficient fund checks, and the amount of penalties involved, were reported to be relatively small in comparison with the number of dealers involved and the size of the monthly tax collection.

State Auditor Ray C. Johnson confirmed Friday that his office is looking into the matter in connection with its annual audit of the Agricultural Department, but declined to make any further comment pending completion of the audit and a conference with Gov. Frank Morrison and State Agricultural Director Pearle Finigan.

Penalties Planned

Questioned on the matter, Finigan said his department had sent out a directive to dealers advising them that delinquency penalties will be filed against anyone whose check for the taxes is found to be insufficient.

The occasional "bad check" aspect of the tax collections is "nothing new — it's been happening for years," Finigan said.

Mrs. Inez Lebsock, chief of the Motor Fuel Tax Division, said the matter had been called to their attention recently as the audit was being made.

No official recommendation has been made by Johnson because the audit is not completed, she noted, but added that "we have taken the initiative here to go ahead and get the ball rolling" and have so advised the dealers.

Number Higher

Mrs. Lebsock said that in the past there might have been two or 3 dealers a year whose checks bounced, but that the number had increased during March and April this year.

She said there were a total of 6 importing dealers out of 900 on motor fuels, and perhaps 10 out of 2,000 special fuel dealers involved.

Special fuel tax checks range roughly from $20 to $90 on which the one per cent penalty would be 20 cents to 90 cents.

Penalties on the gasoline tax checks currently total about $500 on taxes ranging from $5,000 to $6,000.

Nebraska 4-Hers View Space Age Display

Nebraska's delegates to the National 4-H Club Conference in Washington, D.C. this week took time out to view this display at the National Aeronautics and Space Agency. The delegation includes: (left to right) Kenneth Cook, Arlington; Elaine Skucius, associate state 4-H club leader, University of Nebraska, Lincoln; Joan Skinner, Wisner; Joan McGuire, Basset; W. M. Antes, State 4-H club leader, University of Nebraska, Lincoln; and Jerry Flora, Dalton.

Short Circuit Darkens Simon's

A short in an electric motor blew fuses and circuit breakers at Ben Simon's clothing store at 1215 O, plunging the store into darkness for a brief period Friday morning.

The fire department said the trouble developed in an electric motor in an air conditioner on the 5th floor. The motor produced some smoke, but there was no fire.

One woman had to spend some time in an elevator between floors when the loss of power halted the elevator's operation.

Eight fire rigs answered the 9:47 a.m. alarm.

Cattle Truck Flips; Kansas Driver Escapes

Marvin F. Broeger, 50, of Linn, Kan., escaped injury Friday when his semi-trailer cattle truck overturned about 10 miles south of Lincoln on U.S. Hwy. 77.

Broeger told the State Safety Patrol that a front tire blew out while he was traveling about 50 m.p.h.

The northbound truck went out of control and flipped over on its side. A hole was torn into the top of the semi-trailer and the 39 cattle aboard escaped into an adjoining field.

None of the cattle were killed, but several appeared to have been slightly injured.

"They Sure Come Through When You Need Them"

That's the opinion of John F. Beck, 2210 S. 51st Street, Lincoln—whether it refers to wives or to Blue Cross-Blue Shield hospital-medical protection.

John, an employee of the State of Nebraska, is getting back in shape this year after a 1961 hospital siege. And he figures yard work is an answer—provided Good Wife Margaret comes through with some refreshment assistance from time to time. Incidentally, the Becks are particularly proud of their roses and flower gardens.

"We would have been in real bad shape last year, and for some years to come, if Blue Cross-Blue Shield hadn't come through," said John. One 22-day hospitalization brought a medical bill of $1,222.45, of which Blue Cross-Blue Shield paid $1,090.35. And John had another, later, illness which worked out equally well financially.

Why does the Beck family like Blue Cross-Blue Shield? "We get no arguments whatsoever," they said. "Very congenial people in your organization—and then, too, we like the way you notify us when you pay those doctor and hospital bills."

You, too, will like the way Blue Cross-Blue Shield go to work for you when you need it most. Why don't you investigate, compare coverage? We think you'll like our plans—just as the Becks and thousands of other Nebraskans. Call us today.

Northbound Bus To Carry 100

New Orleans (AP) — Insisting that "more than 100" Negroes were awaiting the trip, the segregationist Citizens Council postponed until Monday its plan to send a busload of dissatisfied Louisiana Negroes to New York.

A Negro woman who had been scheduled to take advantage of the Citizens Council's offer of free one-way transportation north failed to show up on schedule at the Railways terminal.

While newsmen were in the office of George L. Singelmann, a council director, he answered a phone call he said was from two Negroes who wanted to leave right away because their rent "was up" Saturday night. He said they would leave on the 12:45 p.m. bus.

Singelmann said several hours later the two had informed him they would not be able to leave until later in the day. He said the "indecision of these people" was hampering the council's efforts.

Singelmann again refused to identify most of the 114 Negroes he said had already taken advantage of the council's offer. Besides the Louis Boyd family which went to New York last week end, Singelmann says that 103 Negroes went to Chicago and one to Washington, D.C.

Officials of Negro groups in Chicago, whose names Singelmann said had been given to the 103 Negroes, said they knew nothing of the trip and had not been contacted by any Louisiana Negroes.

Singelmann attributed the delay in sending the buses to the difficulty in getting all the Negroes together at one time.

But he said two or 3 buses would definitely leave at 12:45 p.m. Monday for New York and Washington, D.C. He said he had deposited $1,409.19 for each bus with Trailways officials.

A clerk at the depot said the manager was out of town; the assistant was out of the office; and that she knew nothing of any arrangements.

Several newsmen showed up at the Trailways terminal at 6:35 a.m. to see the Negro woman off to Washington. The clerk-in-charge received a phone call he said was from a "Mrs. Brown" who had decided to leave Monday instead of Friday.

Cuban Children Chomp Candy

Havana (AP) —The communist paper Hoy said 1,316,000 Cuban children have been completely immunized against polio by taking two doses of white candy containing Russian-made Sabine-type vaccine.

Natalie Wood Gets Divorce Due To Golf

Santa Monica, Calif (AP) — Actress Natalie Wood, dressed in black from head to toe, divorced actor Robert J.Wagner Friday on testimony that she was a golf widow.

The petite actress, wearing black hat, black silk suit, black stockings and black shoes, won freedom in 11 minutes flat.

She testified without shedding a tear but her eyes reddened as she sat down.

"The last year of our marriage," she said, "Mr. Wagner preferred to be off by himself. He was always telling me he was going out to play golf and didn't have time to discuss our problems."

'Rail Bosses Using Intimidation'

Washington (AP)—A railroad union leader charged the rail industry Friday with attempting to intimidate a White House emergency board now formulating wage settlement recommendations for President Kennedy.

George E. Leighty, spokesman for non-operating unions representing about 450,000 rail workers, called a news conference to say that industry statements this week were aimed at influencing the board to minimize its recommendations.

Leighty, president of the Telegraphers Union, said: "In our opinion these releases are a brazen attempt to intimidate the presidential emergency board in performing its function under provisions of the Railway Labor Act."

Daniel Loomis, president of the Association of American Railroads, was quoted earlier this week as saying the rail industry was alarmed over reports the board will recommend to Kennedy next week a wage boost exceeding the 3% formula advocated by the Kennedy Administration.

Loomis said number of carriers would have to raise their rates.

The AAR put out another statement along the same line previously and J. E. Wolfe, chairman of the Western Conference Carriers Committee, told newsmen in Chicago the administration should step in to head off a wage boost if one should be recommended by the emergency board.

"We are amazed." Leighty said, "that spokesmen for the carriers should engage in such unethical tactics. It is comparable to trying to influence a judge while he has a case under consideration."

The first 7 presidents of the African republic of Liberia were all born in the United States —4 in Virginia, one in Maryland, one in Kentucky and one in Ohio.

OAS Bombs French Barracks

Algiers (AP) — Secret Army terrorists exploded a large plastic bomb in the basement of the heavily guarded former government building Friday.

The blast shook the hillside building that dominates the center of town. A fire broke out but was swiftly controlled. There were no reports of casualties.

The building, always under guard, is used as a barracks and for storage by French troops. Almost all government offices and employes have been moved to the new and barricaded government headquarters at Rocher Noir, 30 miles outside Algiers.

The explosion, heard over most of the city, came as security forces were stalking through central Algiers in a search for terrorists. The search was ordered after a terrorist unit attacked a truck full of riot police. Security forces quickly sealed off the area of the attack. While a helicopter and light observation plane flew overhead, security forces moved methodically through the quarter with rifles and submachine guns at the ready.

There was no announcement whether the search had bagged any terrorists, fighting to block Algerian independence.

During the day Algiers was hit by another wave of strikes that affected post offices, telephone and telegraph services, banks, gasoline service stations and the University of Algiers. The strikes all were rooted in the bitter battle between European settlers and security forces over Algerian independence.

Some officials expressed concern about the delay in the government's plan to stamp out Secret Army activity in Oran, where a majority of the 200,000 Europeans back the terrorist organization.

Authorities estimate that in the Oran region 30 Moslems a day are killed by Secret Army triggermen. Authorities say the toll is not reflected in the official daily death report because many of the corpses are buried secretly.

The street murders and bomb attacks have goaded Moslems in Oran and Algiers to the edge of violence, many authorities believe. The obvious aim of the terrorists is to provoke the Moslem masses into a race war and although the Moslems are under strict orders from rebel agents not to fight, the breaking point may be near.

Pollution Meet May 11

The Nebraska Water Pollution Control Council will meet 9 a.m. Friday, May 11, in the Omaha City Council chamber, T. A. Filipi, pollution control council secretary, announced Friday.

Salan Mum Before Paris Magistrate

Paris (AP) — Ex-Gen. Raoul Salan, imprisoned on charges of treason in Algeria, Friday maintained a courteous silence before an examining magistrate.

Salan had said he would stand mute on the magistrate's questions unless he has had assurance that testimony would be given by such notables as President Charles de Gaulle, ex-President Rene Coty, and ex-Premier Michel Debre. The magistrate declined to give such a guarantee.

The latest appearance, prison sources said, was a monologue as Salan remained silent in the face of questions from the magistrate. The ex-general maintained a courteous attitude, however, the sources said.

Groups Sending Negroes North Beneath Mayor Wagner's Contempt

New York (UPI) — New York Mayor Robert F. Wagner Friday night said segregationist groups in the South sending Negroes to the North are beneath contempt, but added the city would provide temporary emergency relief for Negroes sent to New York.

In a statement at city hall, the mayor said that arrangements could be made "to put those who are in need and are employable and are ready to seek and accept employment on the temporary emergency relief roles."

Referring to a 10-member family which was sent here from New Orleans a week ago, Wagner said the segregationist New Orleans White Citizens Council showed "total disregard for human life and dignity."

Wagner noted that in addition to sending the family here — the father already has found a $100-a-week job — the New Orleans group planned to send more Negroes from the south.

Wagner said the city was making certain plans and preparations to help any more Negroes that might be sent here on a one-way bus trip.

Fun News In The Service Circles

BY TISSIE LINSCHEID

The 818th Combat Support Group is having a spring dinner dance tonight at the Officers Club, with the festivities beginning at 7 o'clock. The Terrace Room will be decorated in a spring decor, complete with trees and blossoms. A floor show will be part of the evening's entertainment, featuring the talents of the Judge Advocate's Staff.

The 307th Organizational Maintenance Squadron is having a canape and dinner party tonight in the Green Room at the officers club. The affair is a "farewell" to Lt. Col. Warren Franscioni, former squadron CO who has been appointed the new Vice Deputy Commander of Maintenance, and to Lt. Col. Donald Shilling, who has been appointed the new Logistics Officer of Maintenance. This is also an opportunity to welcome the new Squadron Commander, Lt. Col. John M. Crook. Invited guests for the evening are Col. and Mrs. Walter F. Duch.

Lt. Col. and Mrs. Richard G. McAuliffe will entertain at a dinner party tonight at their Carswell Street residence. Invited guests include Col. William S. Bertram, Mrs. Lillian Bertram, Col. and Mrs. John F. Twilley, Col. Philip O. Robertson, Col. Howard E. Conkin, Lt. Col. and Mrs. Thomas H. Powell, Lt. Col. and Mrs. Gerald Linscheid and Lt. Col. and Mrs. Gerald Rotter.

Maj. and Mrs. Russel M. Heller also will be a host and hostess this evening when they entertain at a buffet dinner and bridge party. Guests will be Lt. Col. and Mrs. Robert Hanson, Maj. and Mrs. Leroy Kutscher and Mr. and Mrs. Stanley Wentz.

The 370th Bomb Squadron officers and their ladies will enjoy a bowling party tonight at the Emerald Lanes. Their party will begin at 6:30 o'clock, and after an evening of bowling the group will adjourn to their squadron operations for a pizza party.

Capt. and Mrs. Jefferson Finch entertained at a dessert bridge last Saturday evening as a farewell gesture in honor of Capt. and Mrs. Bernard Randolph who will depart from Lincoln May 3rd for the University of North Dakota at Grand Forks. Capt. Randolph will attend the Engineering school for two years. Invited guests for the evening were Maj. and Mrs. Noble S. Timmons, Maj. and Mrs. Dale Christians, Capt. and Mrs. Robert Lewis and Capt. and Mrs. Robert Watson.

A get-acquainted canape party was held last night at the Officers Club to welcome 38 new officers and their ladies to LAFB. The 818th Air Division sponsors this welcome party every two months for newly assigned officers and their wives.

The Green Room of the Officers Club was the setting for a dessert bridge and stork shower in honor of Mrs. Earl Eastabrooks, Wednesday evening. Twenty guests enjoyed the evening of bridge and canasta that was hosted by Mrs. David Wilson, Mrs. Robert Walsh and Mrs. Vern Willer. Mrs. Darrel Norris and Mrs. Peter Nichols were the bridge winners, and Mrs. Neil Farnham took the honors at canasta.

Mrs. William E. Miller, Mrs. John M. Crook and Mrs. Forrest Marvel were co-hostesses Thursday at the Inter Com Club, for a bridge luncheon. Guests enjoying the afternoon were Mrs. Myron G. Piggott, Mrs. Harold C. Morrison, Mrs. Lillian Bertram, Mrs. Gerald Linscheid, Mrs. Glen J. Lally, Mrs. Robert D. Crooks, Mrs. Donald R. Shilling, Mrs. John J. Philips, Mrs. Sherman Martin, Mrs. Russell Heller, Mrs. Raymond J. Wagner, Mrs. Richard McKenzie, Mrs. Donald J. Meade and Mrs. John B. Mattioli. Prize winners were Mrs. Linscheid, Mrs. Heller, Mrs. Mattioli and Mrs. Lally.

Mrs. Guy B. Ward was a hostess last Monday evening at her Michael Street residence when she entertained at a dessert bridge party. Guests were Mrs. William Hawkins, Mrs. William T. Schwob, Mrs. Dean Canedy, Mrs. Samuel J. Trabun, Mrs. Mary Hathaway, Mrs. John Barron, Mrs. Donald Lunenberg, Mrs. William R. Johnston, Mrs. Robert C. Weidner, Mrs. Bill V. Hewett, and Mrs. Ralph Utech. The recipients of the bridge prizes were Mrs. Hathaway, Mrs. Barron and Mrs. Lunenberg.

Mrs. John B. Mattioli entertained at a bridge party Tuesday evening. Invited guests were Mrs. James Liggett, Mrs. Albert W. Brow, Mrs. Harry Jones, Mrs. L. W. Rase, Mrs. Albert R. Masserini, Mrs. N. Sargologos and Mrs. Robert Spiller.

Another bridge party was held yesterday with Mrs. Joe Disana as hostess. Ladies enjoying the afternoon were Mrs. Lamar Ledbetter, Mrs. Max L. Lundwall, Mrs. Milton K. Melland, Mrs. T. Kilkelly, Mrs. Thomas W. Boles, Mrs. Jerry Berkowitz and Mrs. Robert Taylor.

Miss Cynthia Corbin, daughter of Col. and Mrs. Thomas G. Corbin, returned Wednesday evening from Kansas City Mo., where she spent the Easter vacation with her grandmother, Mrs. Richard Potts.

Maj. and Mrs. Leland A. Schmoker left Thursday morning on a two week holiday that will take them to Denver, Colo., to visit the Major's mother, Mrs. Helen Schmoker; then to Dighton, Kan., where they will visit Mrs. Schmoker's parents, Mr. and Mrs. Arle Boltz. The couple will then travel to Albuquerque, N.M., where they will visit with friends.

Lt. Col. and Mrs. James Pumford just returned, Tuesday, from a short leave in Saginaw, Mich. The Pumfords visited their parents, Mr. and Mrs. William Leddy and Mr. and Mrs. Milo Pumford.

Maj. and Mrs. Raymond H. Palmer spent the Easter holiday in Chicago where they visited Mrs. Palmer's parents, Mr. and Mrs. Ambrose Lyons, and her sister and brother-in-law, Mr. and Mrs. Robert Jackson.

Several couples enjoyed the "outdoors" over the weekend. Among them were Lt. Col. and Mrs. James Kent and their daughters, at Blue River. Three couples "camping out" at Holland Reservoir were Maj. and Mrs. Williams, Maj. and Mrs. William Schwob and Maj. Howard B. Arnold. I'm sure the children of these various families enjoyed the experience!

Marriage Announced

Mr. and Mrs. Everett Owens make announcement of the marriage of their niece, Miss Carol Taylor, to Capt. Robert G. Baker, son of Mr. and Mrs. Lee W. Baker of Lakeland, Fla.

The ceremony took place at 6 o'clock in the evening on Saturday, April 21, at the St. Andrew's Methodist Church in Ft. Lauderdale, Fla. The Rev. John Fletcher solemnized the service.

The bride wore a white sheath frock, with white accessories, and carried a bouquet of yellow rosebuds.

The bridegroom's parents were the attendants.

Capt. Baker, who is stationed at the Lincoln Air Force Base, and his bride will reside at 3805 C St.

Suburbia Greets New Neighbors, Guests

Word from suburbia this morning tells us that the residents have been most busy, entertaining guests, and comming and going on short family visits during the recent school holidays.

MEADOW LANE

Traveling to Bellevue on Thursday, April 19, were Mr. and Mrs. Ronald Hindman and their children, Michael and Sandra, who were the guests of Mrs. Hindman's parents, Mr. and Mrs. Floyd Roach, and Mr. Hindman's parents, Mr. and Mrs. James Hindman. They returned to Lincoln Monday evening.

And visiting in Lincoln during the Easter week end were Mr. and Mrs. Raymond Crabtree and their son, Don, of Hastings, who were the houseguests of their son-in-law and daughter, Mr. and Mrs. Thomas H. Cushing.

Easter guests at the home of Maj. and Mrs. A. P. Samuels were Maj. Samuels's brother-in-law and sister, Mr. and Mrs. R. E. Smith and their children, Bobby Jean and Jeffrey, of Marseilles, Ill., who arrived in Lincoln on Thursday, April 19. They remained until Easter Monday, much to the delight of the Samuels children, Phillip, Mary Ellen, and Shannon.

Word from the home of Mr. and Mrs. Keith Barrett this morning brings the news of an addition to their family — Miss Lynne Alison Barrett, who arrived at Bryan Memorial Hospital on Tuesday, March 17. Lynne has a sister, Jill, who is six.

The young lady's maternal grandparents are Mr. and Mrs. O. C. Cardwell of Wichita, Kan. and her paternal grandparents are Mr. and Mrs. E. K. Barrett, also of Wichita.

EASTBOROUGH

In case you have been wondering who the young gentleman is at the home of Mr. and Mrs. Donald A. Reisch, we will introduce Timothy Alan Reisch, who was born at Bryan Memorial Hospital on Monday, April 9.

Timothy has two sisters, Donna, 7, and Jean, 5, and two brothers, Bobby, 3, and Gregory, who is one. His maternal grandparents are Mr. and Mrs. Henry Smith of Early, Iowa, and his paternal grandparents are Mr. and Mrs. A. P. Reisch of Sioux City, Iowa.

Mr. and Mrs. Smith came to Lincoln on Wednesday, April 11, for a short visit with there new grandson, and were accompanied home by the older Reisch children for a week's visit with their grandparents.

And the houseguests at the home of Mr. and Mrs. Charles Macke last week end were Mrs. Macke's parents Mr. and Mrs. Dale Ward, and her sister, Miss Sharon Ward, all of Emporia, Kan.

Celebrating his birthday anniversary recently was Mark Reed Price, son of Mr. and Mrs. Joe Price, who was honored at a party on Sunday, April 15.

Mark was two years old on Monday, April 2, but a slight case of illness delayed the party celebration.

Helping Mark celebrate were Myrna Heiss, Mr. and Mrs. Henry Price, Pat Burger, and Marcia Madren.

Arriving in Eastborough on Friday, March 30, were Lt. and Mrs. Richard W. Moore and their 11 month-old son, Richard, Jr. The Moores, who came to Lincoln from Washington, D.C., where Lt. Moore was stationed at Andrews Air Force Base, now are residing at 621 No. 70th.

West Coast Wedding

MRS. NORMAN CREETH

The marriage of Miss Eileen Imig, daughter of Mr. and Mrs. Arthur Imig of Lincoln to Norman H. Creeth, son of the late Mr. and Mrs. Edmund Creeth, took place at 8 o'clock on Friday evening, April 27, at the First Congregational Church in Portland, Ore. The Rev. Reyald Caldwell solemnized the service before a background of white lilacs and cathedral candle, and the wedding music was played by Deane Hutchison.

The maid of honor, and only attendant, was Miss Jacqueline Smith who appeared in a frock of lilac-toned polished cotton designed in the daytime mode. She carried a bouquet of lilac-tinted carnations.

Raymond Crewe of Lake Grove, Ore., served as best man, and seating the guests were the bride's brother, Alton Imig of Lincoln, and Gene Roecks of Seattle, Wash.

For the ceremony the bride chose a gown of white, delustered satin. The fitted bodice was designed with a high throat line and bracelet-length sleeves. The wide skirt was fashioned with a detachable pleated train. A circlet of pearls held to the head her bouffant veil, and she varried a bouquet of white orchids and carnations.

Following a honeymoon trip on the Oregon coast, Mr. Creeth and hs bride will reside at 5308 S.W. Pomona St., in Portland.

The bride was graduated from the University of Nebraska School of Nursing. Mr. Creeth attended the University of California.

Evening Ceremony

MRS. RICHARD L. BRIDGER

The wedding of Miss Helen Koch, daughter of Mr. and Mrs. Glenn E. Koch, and Richard L. Bridger, son of Mr. and Mrs. A. Richard Bridger, took place on Friday evening, April 27, at the Havelock Christian Church. The lines of the 7:30 o'clock service were read by the Rev. Merlin Dana, and Miss Jean Walters, organist, played the wedding music.

Wearing bouffant frocks of silk organza in shaded tones of orchid and lavender were Mrs. Donald Gerber, as the matron of honor, and the bridesmaids, Mrs. Everett Koch of Grand Island, and Miss Sandra Bridger, sister of the bridegroom.

Earl Bridger served his nephew as best man, and the ushers were Everett Koch of Grand Island, brother of the bride, Joseph Plessel, Roger Koch, and Roger Bridger.

The bride's gown of white Chantilly lace and tulle was designed in the period mode. A scalloped, rounding neckline touched with iridescent sequins, accented the long-sleeved, lace basque, and the lace and tulle skirt flared widely, brushing the floor at the back. A tiara of pearls held her illusion veil, and she carried a cascade of sweetheart roses centered with a lavender orchid.

Mr. and Mrs. Bridger will reside in Lincoln.

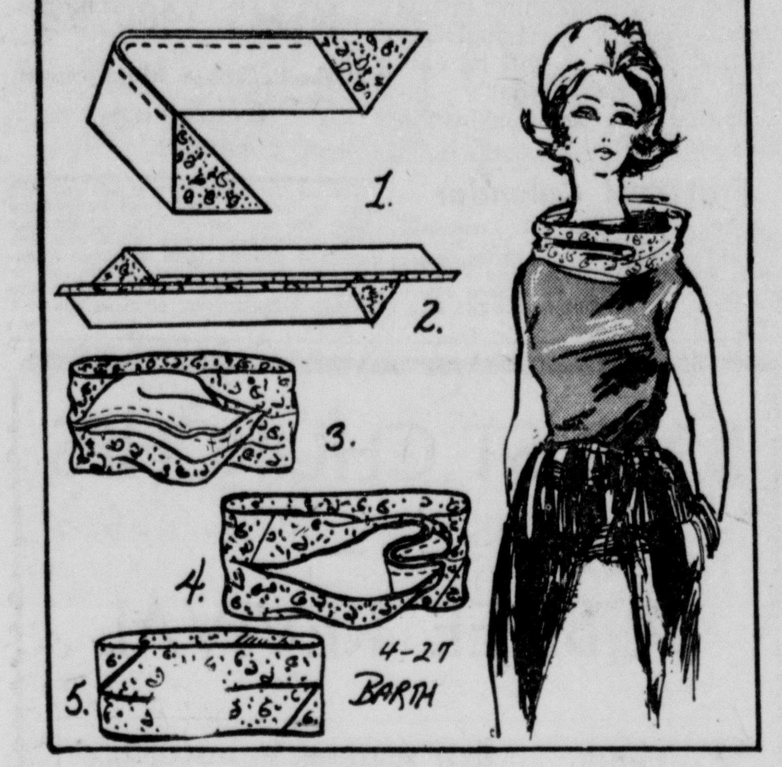
It Seams To Me

A Scarf Is Handy



Patricia Scott

Circlets of chiffon silk surah, silk or synthetic jersey, or any soft fabric do fantastic things for plain necklines. You can make them in solid colors or in large or small prints. At the moment, I have 20 circlets in various fabrics, colors and prints. They are really life savers when I travel.

The measurements for the one illustrated will give you a normal size circlet that will drape around the neck comfortably. You can wear two of different colors, twisting and draping them for a very interesing effect. You can also make one twice this size. It will serve two purposes. I have some of arnel jersey that drape around the neck beautifully, but the really great thing about them is that if it's windy, or if it suddenly starts to rain, you can raise one of these circlets over your head like a hood and protect your hair.

First make one in the size illustrated, then you will know whether you want others that are smaller or larger.

You'll need: a piece of fabric cut on the **true bias,** 34 inches long and 17½ inches wide.

To make:

1. Trim two short ends so they're on the straight of grain. Fold fabric in half lengthwise, right sides together. Stitch the two long bias edges together, with a ¼-inch seam and leaving ¼-inch free at the beginning and the end of the seam (fig. 1).

2. As you can see, your fabric is now long, and tubelike, with both ends open. Slide the seam around to the center, as in **figure 2,** and, press the seam open. Use a sleeve board so that you don't press any creases into the fabric. Turn to right side.

3. Fold tube in half, with seam line facing to the outside. To close open ends, place the two straight grain edges together (fig. 3), and stitch, leaving the two bias ends free for closing.

4. Slide this new seam inside. You now have a slit formed by the bias free edges mentioned in the step above (fig. 4). Fold the raw edges of this slit under ¼ inch and slip-stitch closed (fig. 5).

For your copy of FIFTEEN GIFTS YOU CAN MAKE, write to Patricia Scott in care of this newspaper, enclosing a long, self-addressed, stamped envelope and 20 cents in coin to cover printing and handling costs. The subjects for this fascinating booklet were selected from among Miss Scott's most popular columns.

Opening lead — four of clubs.

This hand was played in a team match. At each table the final contract was six spades and at each table the opening lead was a club. However, the slam was made at one table and defeated at the other.

At the first table, declarer finessed the queen of clubs and lost to the king. East returned a club and South now had no trouble making the contract. He ruffed high, played a spade to the ace, and ruffed another club high. Then, after drawing trumps, he crossed to the ace of diamonds and discarded his heart losers on dummy's clubs.

At the second table, East adopted a more thoughtful line of defense and defeated the contract. Here, also, declarer finessed the club on the opening lead and lost to the king. But East, analyzing the bidding correctly, decided it was futile to return a club.

He realized that declarer's trumps must be solid and that a club return had practically no chance of developing a trump trick for West. He knew that South had chosen to finesee the club even though he had only a singleton and that he was therefore prepared for a club return.

East knew, furthermore, that South had jumped to two spades, even though it developed during the later bidding (in responding to the Blackwood calls) that South had only one ace and one king. He could therefore assume that declarer's trumps were impregnable.

The club return having been ruled out, East had to choose between playing a heart or a diamond. He knew that a heart return would be unsuccessful because South would play the ace and eventually run his clubs to make the contract.

So East returned a diamond in the hope that declarer had only a singleton of that suit. As a result, South lost a vital entry to dummy and had to go down one.

Dear Abby

You Take The Wheel

Abigail Van Buren

DEAR ABBY: Do they sell donkey blinders for men? I need a pair for my husband. He never watches where he is driving. Instead, he's busy gawking at the women along the streets. He drives about ten miles an hour to be sure he doesn't miss anything. He's come close to a lot of accidents. How can I make him keep his eye on the road?

THE WIFE

DEAR WIFE: Even donkey blinders would be useless for this breed of donkey. If you can't get his mind off the "scenery," take the wheel. If he doesn't like it, let him trot.

☆ ☆ ☆

DEAR ABBY: Our daughter is going steady with a boy we object to very much. Here is the reason. His family is loaded with divorces. His own mother and father are divorced. (His mother is remarried.) He has two sisters and they have both been divorced. One was married a second time and was divorced from her second husband, too. We heard that his grandmother on his father's side had also been divorced. He seems like a very nice young man, but the history of his clan is so bad with all those divorces we are fearful for our daughter's happiness.

FEARFUL

DEAR FEARFUL: Divorce in the family frequently inspires the offspring to succeed in their own marriages. Don't condemn the boy because of his family. Judge him on his own merits.

☆ ☆ ☆

DEAR ABBY: Please say something in your column to the thoughtless parents who buy their children live baby chicks for Easter. The kiddies soon chase or squeeze the life out of the helpless little birds and really enjoy them less than their candy Easter eggs.

CHICKEN-HEARTED

DEAR CHICKEN-HEARTED: I, too, am "chicken-hearted" and hope that your timely letter will cause parents to think twice before giving live baby chicks to children who are too young to care for them properly.

☆ ☆ ☆

Stop worrying. Let Abby help you with that problem. For a personal reply, enclose a stamped, self-addressed envelope.

Cookie Shine

English Professor: 'Quit Ivory Tower'

By WOODY HOWE
Star Staff Writer

A University of Indiana English professor Friday urged his colleagues "to come down out of our ivory towers" and join the fight to improve the teaching of English language in elementary and secondary schools.

If they don't, Prof. John Fisher warned, English literature will decline into a state of dignified senility like Greek and Latin.

Addressing more than 200 members of the Midwest Modern Language Association at its conference in Lincoln, Dr. Fisher said scholars of English literature must unite with the National Council of Teachers of English, or fringe groups such as educational psychologists and the International Reading Association, "who are sure they have the secret," would wrest control of federal curriculum improvement programs

The public temper is ripe for English improvement, he said, and "something is going to be done about it — probably with federal support."

But if English professors do not join in the reforms, he said, "the teaching of English in the high schools is going to get a great deal worse in spite of —or perhaps because of — federal assistance of various kinds."

Groups such as educational psychologists are necessary and valuable, he said, but their view of language "is a dead end" and "may actually hinder the achievement of real literacy."

Notes With Regret

He noted with regret that the U.S. Office of Education's new "Project English" staff was oriented toward professional educators and educational psychologists.

But English professors have only themselves to blame for this state of affairs, Dr. Fisher continued, because they created a vacuum when they turned exclusively to scholarship and research 40 years ago and ceased to be interested in elementary and secondary school English.

He said the 3 recently established English study centers at the University of Nebraska, Northwestern University and Carnegie Tech were reasonable starts. Nevertheless, he pointed out, the U.S. Office of Education plans to establish 200 more centers in the next few years, and chairmen of English departments have shown no better than cool interest toward taking part in them.

Unless students properly learn the language, they cannot learn the literature, Dr. Fisher reminded his audience.

Therefore, English professors must at least partially abandon their research, writing and golf, and engage in the kind of teaching and public service "we have found so irksome."

Harrison Tours 12-14 Southeast Towns Saturday

Republican congressional candidate Robert Harrison will make a chartered bus tour of 12 to 14 southeastern Nebraska communities Saturday.

It will be Harrison's 4th chartered trip into counties of the new First Congressional District.

Harrison, a former (1951-59) Third District congressman will be accompanied by about 15 campaign workers who distribute literature and campaign cards at each stop.

Saturday's schedule includes Bennet, Palmyra, Unadilla, Syracuse, Dunbar, Nebraska City, Auburn, Falls City, Pawnee City, Humboldt, Tecumseh, Beatrice and possibly DeWitt and Crete.

Park Crews Trim 5,042 Trees At $8.86 Apiece

City park crews trimmed 5,042 street trees this season, pushing the program's total to 35,405 trees since its start 6 years ago.

This year's trimming cost $44,679 or an average of $8.86 per tree.

City Forester Ken Thelen said that 50% or slightly more of the street trees within the city have now been trimmed.

Thelen said this year's average cost increased slightly over last year because the 3 crews were working in areas of larger trees.

$6.40 Average

The city has now expended $226,910 so far in the tree trimming program. The 6-year average cost per tree has been $6.40.

Thelen said the tree crews finished up this year's program about April 25. The statistics for April were 841 trees and 3,651 man-hours at a cost of $6,307.24.

The $87.49 remaining in this year's budget — enough for 10 more trees — will be carried into next year's anticipated appropriation by the City Council.

The PASTOR

That crucial hour when one must have counsel by a trouble-sharing, God-loving pastor has come to this man. The broken in spirit and warped of soul must have guidance . . . the way must be pointed out. God's ministers are serious and their counsel good. But better still, *they know the way of access to God*. There is one waiting to help you, and he is as near as the church or your telephone. When you are down and out; when you have lost all faith in yourself . . . that's when you need him most. *That's when you need God, too.* There is no comfort like that which comes from Heaven, and to the seeking soul, Heaven is not far away. Your Pastor wants to help you.

Here is a practical little game that will give you a message every day. It is a numerical puzzle designed to spell out your fortune. Count the letters in your first name. If the number of letters is 6 or more, subtract 4. If the number is less than 6, add three. The result is your key number. Start at the upper left-hand corner of the rectangle and check every one of your key numbers left to right. Then read the message the letters under the checked figures gives you. Kearney — Gothenburg's Roger Haynes came up with the best all-around performance and Kearney's Art Ferguson the big surprise in the opening day of the annual Kearney Invitational track meet.

Haynes, the leading Class B speed merchant in the state, posted a 22.0 time in the 220-yeard dash and a 51.0 quartermile to pace his team to the Class B team title.

Ferguson emerged the Class A discus champion as favorite Jim Beltzer of Grand Island wound up 3rd — the first time the Islander husky has been beaten in either weight event this year.

Ferguson, who has been steadily around 152 feet in the discus, zipped out a 155-10 performance Friday. Beltzer's 154-0 effort was also beaten by North Platte's Bob Thomas.

But Beltzer remained the king in the shotput, registering a victorious 59-3 toss which garnered him an all-class record.

Grand Island, as expected, an easy winner in Class A teamwise, also claimed the only other all-class record, a 1:32.9 in the 880 relay team.

Two class records fell before the athletes from 6 Class A schools and 13 Class B entries. Ravenna, a Class C team, was permitted to compete with the Class B schools by Kearney State officials because of a conflict with the musical contest today.

Ferguson's discus performance was a new class A mark while Haynes' 51.0 in the 440 was a B record.

Haynes will carry the best credentials of the two big classes for the meet's outstanding performer trophy. His 220 time was the best in the state, replacing a 22.1 by Omaha Central's Terry Williams.

The small schools congregate today with 32 Class C teams entered and a whopping 51 D schools. The outstanding performer takes in all classes.

Grand Island, minus ace hurdler Darrell Roberts won with ease, 176-122 over Kearney with scoring covering 6 places. Gothenburg's advantage in Class B was nearly as big over Broken Bow.

Strong gusts of wind aided the short races and bothered the longer runs.

Kearney's distance ace won with ease but failed to bring home outstanding times. Half miler Jim Wolstenholm, the state leader, won in 2:03.3 while miler Lanny Hendrickson was victorious in the mile with a 4:42.7 clocking.

The Class A low hurdles saw two Grand Island hurdlers break 21 despite Roberts' absence. Wayne Mundt won in 20.7 and was followed in by Gary Catlett in 20.9, placing both in the state's Top Ten.

Action today begins at 9:15 with preliminaries with finals at 1:30.

The pentathlon leaders after the first day was Cozad's Bob Bubak.

NCAA Slaps Two-Year Probation On Buffs

Mizzou Topples NU, 12-5

By HAL BROWN
Star Sports Writer

Missouri's band of sluggers kept Nebraska's outfielders busy Friday afternoon as the Tigers banged out a 12-5 decision over the Huskers.

The Missouri win kept the Tigers among the leaders in the Big 8 chase with a 7-3 mark while Nebraska dropped below .500 at 4-5.

A doubleheader originally was scheduled for Friday, but rain changed the program to a single game that was set back nearly 3 hours. A twin bill is on tap today starting at 1:30 p.m.

The Tigers jumped on Husker starter Keith Sieck early with 5 runs in the first and 3 more in the second frame.

An indication of things to come was given as Dave Harvey led off for the Tigers with a double to right. A single by Dan Reilly plated Harvey and George Hulett then drove Reilly home with a double.

After Gene McArtor had walked, Jim Sevcik drove a Sieck offering over the center field fence to give Missouri a 5-0 margin.

The Tigers widened the lead to 8-0 in the second as Harvey singled and scored on a double by Reilly. Hulett's home run over the center field fence scored Reilly ahead of him.

The Huskers battled back with 3 in the 3rd as George Landgren, who had come in to pitch in the top of that inning, started the rally with a double.

Don Schindel's single then scored Landgren, and successive singles by Dale Anderson and Steve Smith loaded the bases with none out.

But after Dick Becher drove Schindel and Anderson home with a single, Tiger ace Larry Bohannon bore down and got the next 3 batters to end the threat.

Landgren allowed only one run on 3 hits in his 4 innings on the mound.

Nebraska closed the gap to 9-5 in the 5th on a double by Smith, a single by Becher and a sacrifice fly by Pat Salerno.

Becher and Smith wielded the big sticks for Nebraska with 3-for-4 apiece. Becher had 3 runs batted in.

New York Denies License To Liston

. . . MAY NOT GET FIGHT

New York (AP)— The New York State Athletic Commission denied a license to Sonny Liston Friday because of the people around him and his own police record.

The action eliminated New York City as the site for Liston's title fight with champion Floyd Patterson, and may have cost him the fight entirely.

Julius November, Patterson's attorney, said the champion would "have to re-evaluate the situation" in the light of the ruling, and said that "from a legal viewpoint the contract for the fight is no longer valid."

November said the contract, signed March 16 by Liston, Patterson and Championship Sports, Inc., as promoters, could be revived by all 3 parties if they all want to.

He said Patterson was well aware of Liston's record when he signed for the fight, but that the fighter would have to see if the commission had uncovered any new information about Liston that would make Patterson change his mind.

November said Patterson would study the commission findings and make a decision. "But at the present point there isn't any contract," he said.

He said that when both fighters accepted New York as the site, under terms of the contract, it was up to Liston to get a license to fulfill the terms.

Patterson hesitated for nearly a year before he decided to give Liston a shot at the crown. He made no secret of the fact that Liston's record was the reason.

In Philadelphia, Liston said he is "not concerned with the New York decision . . . not at all upset. I will continue training as if nothing happened. If they don't hold the fight in New York, they'll hold it some place else."

His attorney, Morton Witkin, issued the following statement:

"The action of the New York State Athletic Commission is in my opinion unfair, unjust and un-American. Sonny Liston has paid his debt to society years ago. As to the recent charges he was tried in a court of law and completely exonerated.

Lincoln High Edges O. Westside Golfers

Lincoln High downed Omaha Westside in golf Friday afternoon at Pioneers Park course as Charles Borner of Lincoln High and Steve Wilson of Omaha Westside shared medalist honors with 79s.

Links scores in addition to Borner were Ken Mesloh 80, Al Bettin 87, and Wally Imig 88. Westside scores were Ken Sedden 81, John Allen 89, and Dale Anderson 94.

Football Only Sport Affected

. . . NUMEROUS INFRACTIONS

New Orleans, (AP) — The National Collegiate Athletic Association slapped a two-year probation on the University of Colorado Friday night in what one top NCAA official called "one of the most serious cases" ever to come before the group.

The University of Missouri received a censure and reprimand — without penalties — for giving a prospective athlete an interest-free loan.

The Colorado penalty stemmed from a "slush fund" operated by football coach Everett (Sonny) Grandelius, whom the University fired on March 17.

No other sports at Colorado come under the ban which prohibits its football team from taking part in post-season bowl games or appearing on the NCAA football television series.

NCAA executive director Walter Byers said there "is no doubt in my mind that the penalty for these offenses would have been among the most serious ever handed out by the NCAA were it not for mitigating circumstances."

The "mitigating circumstances", Byers explained, included the universities launching an investigation of its own "which was very effective", and the action Colorado took once the facts of the case were uncovered.

The infractions, Byers said, included:

Over a 3-year period, from 1959-61, 21 student athletes taking part in Colorado's football program received improper financial assistance.

Football coaches of the University caused the grant-in-aid assistance to 3 athletes to be reduced or terminated, in direct violation of NCAA rule

Members of the football staff arranged for the payment of medical expenses to two athletes or their immediate families.

In addition, Byers said, Colorado football coaches recruited prospective athletes with the offer and gift "of improper financial aid" in the form of cost-free transportation to summer jobs or enrollment at the University. In one instance, he said, they offered and provided partial payment of expenses of a parent who accompanied his son to enroll at the university.

The football staff also operated "a required practice session . . . for a number of days in addition to the permissible 20 practice sessions." Outside of the football season, the NCAA allows 20 days of spring drills.

The NCAA 18-man, policy-directing council, which inflicted the penalties after hearing the rules infractions committee's report, noted the Colorado football staff action "represented flagrant and willful violations of basic association requirements and these acts have cast damaging reflections upon the game of intercollegiate football."

All of the football coaching staff members involved, Byers said, are no longer at the university, "or their services have been terminated."

Mid-East Tennis Title To Rockets

Lincoln Northeast won the Mid-East tennis title for the second straight year Friday afternoon as rain forced the matches indoors at Lincoln High and the University of Nebraska courts.

Northeast scored 9 wins to Southeast's 5, Hastings with 4 and none for Fairbury.

The Rockets didn't lose a match en route to the championship. Bill Ferguson of Northeast defeated Kile Johnson of Southeast, 12-9, in the Class A singles while Roger Galloway of Northeast decisioned Southeast's Henry Cox, 12-7 in Class B.

Don Hampton and Dave Fredstrom of Northeast teamed up to win the doubles crown over Glenn Swanson and Ken Reinier of Hastings, 12-5.

Wesleyan Golfers Win Over Midland, Wayne

Nebraska Wesleyan's golfers won a double dual from Wayne and Midland Friday afternoon over the Pioneers Park course.

Wesleyan defeated Wayne, 6½-5½, and rolled past Midland, 10½-1½. Wayne downed Midland, 9½-2½.

Darrell Fuelberth of Wayne shot a 79 for medalist honors.

Scores:

Wesleyan: Fred George 80, Roger Gunderson 81, Rick Ladine 83, Larry Paxson 84; Wayne: Darrell Fuelberth 79, Tom Benson 81, John Fuelberth 82, Marlin Nielsen 98; Midland: Ron Watson 81, Dick Peterson 101, Tom Larson 89, Hal Madsen 98.

Wesleyan Netters Blank Wayne, 6-0

Nebraska Wesleyan won every match Friday afternoon to blank Wayne, 6-0, in a tennis match.

Results:

Nebraskans Push Top Performers At Drake

Des Moines Ia. — Texas Southern's great relay teams and a powerful sprinter from Florida A. and M. took the play away from pole vaulter John Uelses as the 53rd annual Drake Relays got underway here Friday.

Uelses couldn't even win the special AAU pole vault event nor could he clear 15 feet as 7,500 fans sat thorugh showers to watch over 2,200 high school, college and university athletes perform.

George Davies, who transfered from Oklahoma State to Arizona State and is now laying out a year of competition, won the vault at 15-6 for a new Drake record.

Uelses settled for a tie for 2nd in the 3 man field at 14-11¾.

Texas Southern set two Drake records — in the college distance medley and the mile relay. A 4th record came in the 440-yard college relay with Florida A. and M. setting the mark.

But the biggest individual star was Bob Hayes of Florida A. and M. He tied the Drake record in the 100-yard dash at 9.4.

Nebraskans were on the scene at all of the top performances.

When Hayes ran his 9.4 in the 100, Don Degnan of NU was 3rd although he ran 9.7, Good enough to win two other heats.

Ray Knaub qualified easily with 9.7 in his heat and Roger Sayers of Omaha also made it with a second place and a 9.6 clocking.

Nebraska led the qualifying in the 440-yard relay. The team of Fred Wilke, Degnan, Steve Pfister and Knaub did 41.7.

The 4-mile relay team **didn't fare as well. In the finals of that event NU was a distant 3rd behind Kansas and Southern Illinois.**

For Drake Relays Summaries See P. 19

Kansas did 16:57 while Nebraska was time in 17:15.4. The team of Mauro Altizio, John Portee, Ray Stevens and Mike Fleming fell behind early and never had a chance to catch up.

In Saturday's action Nebraska will run in the 440-yard relay, the shuttle hurdle relay and possibly in the 2-mile relay.

Bill Fasano and Ron Moore both qualified for the open high hurdle finals. Both did 14.7.

Larry Reiners got 4th in the discus with a toss of 152-2½. Victor Brooks did not make the trip because of a pulled leg muscle.

—PHILLIES RALLY FOR 11-9 WIN—

Mets Take 12th Setback

New York (AP) — Relief pitcher Jack Baldschun scotched a desperate New York ninth inning rally to preserve an 11-9 victory for the Philadelphia Phillies Friday and hand the Mets their 12th defeat in 13 games.

The rall right-hander relieved Frank Sullivan with two out in the final inning, after the Mets had fought back from an 11-1 deficit with 3 runs in the 6th, 4 in the 8th and one in the 9th.

The Mets had a runner on first and Don Zimmer, hitless in 31 straight times at bat, at the plate. Baldschun struck out the luckless 3rd baseman on a 3-2 pitch to the dismay of 9,041 Polo Grounds spectators.

Johnny Callison with 4 singles, and Tony Gonzales, with 3 runs batted in, led the Phillies' 15-hit attack on 5 Met hurlers. A 5-run attack against Bob Moorhead in the 6th, featured by Don Demeter's two-run triple, iced the game for the Phils.

Cal McLish, the first of 3 Philadelphia pitchers, was the winner. He gave way to Sullivan in the 7th after yielding 4 runs and 8 of the Mets' 13 hits. It was McLish's second triumph without a defeat.

Roger Craig, the Mets' starter, failed to last the second inning as the Phils built up an early 5-0 lead. It was the winless Craig's 3rd loss.

Six of the Mets' hits were for extra bases. Charlie Neal banged a two-run triple in the 6th and Ed Bouchee walloped a pinch homer with two on to climax a 4-run Met rally against Sullivan in the 8th. It was Bouchee's 4th successful pinch hit and second for the distance.

It was the third time that the 25-year-old Baldschun had preserved a victory for the Phillies, who have won only 6 of 13 starts this season.

Held, Cline Pep Indians To 7-2 Win

Cleveland (AP) — Unbeaten Dick Donovan limited the Minnesota Twins to 6 hits Friday night as he won his 4th straight start for the Cleveland Indians, 7-2, behind home run support from Woodie Held and Ty Cline.

The 34-year-old right-hander lost his bid for his 3rd shutout of the season when the Twins' Harmon Killebrew rapped a 365-foot homer leading off in the 9th inning. Zorro Versalles hit an inside-the-park homer to left center with two out for Minnesota.

Held's two-run homer in the second inning got the league-leading Indians rolling to their 8th victory in 12 games. Rookie Ty Cline had 3 hits, including a two-run homer in the 8th inning.

Athletics Pull Goody On Orioles

Kansas City (AP) — The Kansas City Athletics had their biggest offensive display of the season Friday night, slamming 4 Baltimore pitchers for 18 hits and a 14-5 victory over the Orioles. It was the Athletics' 6th victory in their last 8 games.

Gino Cimoli led the onslaught with two triples, two doubles and a single in as many trips. Manny Jiminez hit the A's lone home run. The Kansas City attack included 7 extra base hits.

Ed Rakow pitched 8 innings for the A's winning his 3rd against one loss. His arm stiffened late in the game and Diego Segui pitched the 9th.

NELLIE PEPS CHISOX WIN OVER BOSTON

Chicago (AP) — Nelson Fox's two-run single in the 7th inning coupled with smart relief pitching by Frank Baumann and Eddie Fisher lifted the Chicago White Sox to a 7-4 victory over Boston Friday night.

Fox, who doubled in Chicago's first run, slammed his game-winning blow off reliever Arnold Earley a moment after Carl Yastrzemski had thrown out the potential tying run at the plate.

Baumann, scoring his first victory of the season, turned in a sparkling relief job, working 5 innings on a yield of two hits before departing for a pinch batter in the 7th. Fisher worked the final two hitless innings.

Mid-East Title To Fairbury

Fairbury—Trailing by ¾ of a point going into the final event of the day, the Fairbury Jeffs picked up 8 points in the pole vault to overtake Hastings and win the Mid-East Conference track meet here Friday.

Hastings had jumped off to a large lead early in the day and led all the way until the final event. But Mark Ward's winning vault of 12 ft. 1 in. and Gary Willcoxin's tie for 3rd place in the event gave Fairbury a total of 77 points to Hastings' 75¾.

Bob Smith led the Jeff attack with firsts in the high and low hurdles while Doug McArthur was pacing the Tigers with wins in the 100 and 220 dashes and the anchor leg of the Tiger's winning 880 relay team.

NATS RALLY FALLS SHY TO YANKEES

Washington (AP) — The New York Yankees took a 9-0 lead Friday night, but then had to hang on and use 3 relief pitchers before finally handing the Washington Senators their 10th straight defeat, 10-8.

Clete Boyer's grand slam homer and a two-run blast by Elston Howard in the same inning, the 4th, gave Bill Stafford a 9-0 lead. Roger Maris hit his second in the 6th for a 10-2 margin for the Yankees.

The Senators battled back and had the lead run at the plate in the 8th before Marshall Bridges, the 4th Yankee pitcher, came in to retire the last 4 batters. Stafford was the winner.

John Schaive and Bob Johnson homered for the Senators, making it 9 home runs in the new D.C. Stadium in the last two games played here.

Braves Nudge Colts 2-1 In Tight Fray

Houston (AP) — Bob Shaw's solid, 4-hit pitching performance and an unearned run steered the Milwaukee Braves to a 2-1 edge over suddenly punchless Houston Friday night.

The Colts, limited to two hits by St. Louis' Bob Gibson Thursday night, now have only 6 safeties in their last two games.

Only Jim Pendleton's home run into the left field stands with one out in the 4th spoiled Shaw's bid for a shutout. The bases-empty blast, however, pulled the Colts into a 1-1 tie that stood until the 6th.

Mack Jones, leading off the inning, reached on Joe Amalfitano's error and rode home with the winning run on Hank Aaron's booming triple to right center.

It was all the margin the Braves' strong right-hander needed. He allowed only two other runners the rest of the way, and neither of them got into scoring position.

Shaw, who came to the Braves from the Chicago White Sox by way of Kansas City, struck out 6 and walked none. Other than Pendleton, only one Colt reached second, Roman Mejias on a two-base error in the first.

Bobby Shantz, first of 3 Houston pitchers who left with arm trouble in the 7th, took the loss.

Nebraskans Push Drake Relay Aces

Cont. From Pg. 17

Omaha U. chased Florida A and M. to its record in the college 440-yard relay winding up about 15 yards backs as the Floridians were clocked in 40.8.

Kearney State Teachers College sent its fine distance medley team into action and gave Texas Southern's great runners a strong fight until the final 200 yards.

The race, consisting of a 440, 880, ¾ mile and mile, is a gruelling one.

Ron Wise led off, Ed Kester ran the half-mile, Martin Mason the three-quarters and Hylke Van De Wal the mile.

Van De Wal ran a blazing 3 laps and actually took the lead away from Southern. His 2:02 for the first half gave him the lead and he held it going into the final lap.

But first Emporia State and then Southern came back at the game Kearney runner and they finally caught him going into the north end of the oval.

Kearney wound up 3rd by about 20 yards with Van De Wal clocked with a 4:13.4 mile.

Missouri won the distance medley relay for universities.

Biggest interest for Nebraskans may rest in the 100-yard dash finals Saturday when Knaub, winner in 1960 and going after a relays triple after Texas and Kansas victories, and Sayers match strides with Hayes and 1961 winner Bill Kemp of Baylor.

Nebraska is the favorite in the 480-yard shuttle hurdle relays but will have to go all out to win the 2-mile or 440-yard relays.

Simmons Gets Win On Reds

St. Louis (AP) — Veteran lefty Curt Simmons of the St. Louis Cardinals—backed by 8-run and 5-run innings—coasted to a 14-3 victory Friday night over his jinx team, the Cincinnati Reds and boosted his season record to 3-0.

Four of the Cardinals' 5 runs in the 4th inning were unearned as Wally Post dropped a fly ball and starter-loser Joey Jay committed a costly error.

However, there was nothing champ about the Cardinals' 8-run splurge against 3 relievers in the 7th. The Redbirds, who collared 15 hits altogether, clubbed 3 of their 7 doubles in the 7th and added 5 singles and a walk in the frame.

Ken Boyer — who had 3 hits—and Curt Flood each drove in 3 runs. Flood, who is hitting .429, extended his hitting streak to 22 games, including the last 12 of the 1961 season. He was out with an injury for 3 games this season.

Tiger Hitters Erupt For Wild 13-4 Win

Detroit (AP) — The Detroit Tigers erupted for 7 runs in the second inning Friday night, en route to a 13-4 triumph over the Los Angeles Angels. The game was marred by a wild rhubarb and another debris shower by Tiger Stadium spectators.

Billy Bruton led the Tigers' 12-hit attack with 3 runs batted in on a triple and two singles. Al Kaline and Rocky Colavito also drove in 3 runs each.

Manager Bill Rigney of the Angels and two of his players, Joe Nuxhall and Chuck Tanner, were ejected from the game.

The wild incident came after Nuxhall, 4th of 6 Angel pitchers, hit batting champion Norm Cash in the back ii the Tigers' 3-run rally in the 6th.

Plate umpire Ed Runge immediately walked to the mound and informed Nuxhall he was fined $50. Nuxhall responded by tossing the ball into the first base stands and second base umpire Ed Hurley ejected him.

That started a violent display between Rigney and Hurley. The umpire had to push the Angel manager away from him and then booted him from the game. Tanner was ejected for throwing a towel from the dugout.

Supreme Court Refuses Girls' Return To Parents

The State Supreme Court refused Friday to return two small children to their parents, Mr. and Mrs. Wayne Osterholt, by affirming a Nance County District Court decision.

The Osterholts, now residents of Lincoln, had petitioned the high court to overturn the district court decision under which a habeas corpus action was dismissed, leaving the youngsters, Christina, 6, and Cindy Kay, 5, with their paternal grandfather, Fred Osterholt at Belgrade, Neb.

The high court noted the evidence "certainly would sustain a finding of present unfitness (of the parents) to perform the duties of parenthood."

In other action, the supreme court declared no jurisdiction in a case involving the constitutionality of a county drainage law.

In doing so, the court affirmed a Dodge County District Court ruling against 3 Dodge county residents in their protest against assessments for widening of a drainage ditch running past their property.

The court also:

—Affirmed Douglas County District Court award of a default judgment to Paul Morgan in a suit against Louis Weiner. Both men were real estate brokers, and partners in the business.

—Reversed a Douglas County District Court's reversal of a jury verdict awarding Agnes Robinson $13,228.17 from the estate of Albert D. Bradner. The Douglas court was ordered to reinstate the jury judgment.

—Upheld a Custer County District Court decision awarding disability payments to the late Lloyd Cowman from Plumb R. Stevens his former employer. After Cowman's death, litigation was carried on by Sharon Smith, special administratrix of his estate.

—Affirmed Custer County District Court award of compensation for total permanent disability to Lee Hagler in an action Hagler brought against Thorval Jensen and Stanley Jensen, doing business as the Arnold Livestick Commission Co.

Earle McMunn, Insurance Claims Assistant, Dies

Earle C. McMunn, 56, of 2225 Sumner, died Friday.

He was the assistant superintendent of claims at Woodmen Accident & Life Co. where he had been employed 32 years.

Born in Lincoln, Mr. McMunn graduated from Lincoln High School and the Lincoln School of Commerce and attended the University of Nebraska.

He was a member of Tabernacle Christian Church Elks, Disabled Veterans, American Legion and Danish Brotherhood.

Survivors are his wife, Narka; daughter, Mary Louise at home; and sister, Mrs. Howard Williamson of Sylmar, Calif.

Services will be 3 p.m. Monday at Tabernacle Christian Church, 22nd and South.

Dworak Criticized By Mangiamelli

Omaha (AP) — Tony Mangiamelli, candidate for the Democratic nomination for governor, has accused Mayor James Dworak of Omaha of attempting to promote a "puppet arrangement" in the Nebraska Legislature.

Mangiamelli made this comment on Dworak's statement that he had found a state legislator willing to introduce a bill taxing pari-mutuel betting in Omaha.

Mangiamelli said the mayor is trying to levy more taxes on the people and using "a highly regarded civic group as an excuse for it."

Lincoln, G.I. TV To Carry 'Defenders' Abortion Story

Stations KOLN-TV (Channel 10) and KGIN-TV (Ch. 11) will carry a controversial episode of "The Defenders" Saturday night at 10:30 p.m. instead of the regular 7:30 p.m. time, program Director Paul Jensen said Friday.

WOW-TV (Ch. 6), along with at least 10 other CBS stations, announced earlier they refused to carry the dramatic episode, entitled "The Benefactor," because it deals with abortion.

Jensen said the time switch was decided on because "we felt the subject material was improper to be shown during children's viewing time."

'Fair Warning'

An announcement of the time change will be made at 7:30, Jensen said, giving parents "fair warning" if they want their children not to watch the program.

Station Manager Al Larson of WOW-TV said the Omaha station will not carry it because "young people viewing the program might tend to draw wrong moral conclusions because the doctor, even though found guilty, is portrayed in the drama as a sympathetic character."

Larson said the subject matter itself would offend some viewers other than children.

The 3 regular sponsors of the series withdrew from Saturday night sponsorship, and CBS sold the segment to a watch manufacturer.

The network, however, said 170 stations that normally carry the drama will carry the abortion story.

Stocks Drop To 1962 Lows

New York (AP)— A wave of discouraged selling Friday sent the stock market to its 3rd sharp loss in as many days and rolled up 4 million shares of trading for the first time since February.

Market averages again sank to new lows for the year.

It was an erratic session. Steels recovered in early trading and paced the market to a moderate advance.

The steels gave ground with the rest of the market when traders unloaded stocks but in the final minutes of trading steels came back. All of the major steelmakers showed plus signs by the close.

The final outcome was much worse for many other issues, however, and losses of blue chips ran from fractions to more than 3 points.

The Dow Jones industrial average dropped 6.48 to 672.20.

The Associated Press average of 60 stocks declined 2.40 to a new 1962 low of 247.90 with industrials down 3.40 and rails down 1.30, both to new lows for the year and utilities down 1.20.

Of 1,305 issues traded, declines totaled 738 and advances 345. New highs for the year totaled 18 and new lows 224.

An estimated $3.5 billion was clipped from the quoted value of stocks listed on the New York Stock Exchange, based on the decline in the AP average.

Prices on the American Exchange retreated.

Corporate bonds were mixed. U.S. government bonds advanced.

Crop Scare Hits; Wheat Futures Up

Chicago (AP) — The first general crop scare of the year hit the wheat futures pit Friday and firmed up all contracts on the Board of Trade. Other grains and soybeans ranged from firm to weak in the most active trading in several days.

Brokers said the initial demand for wheat appeared to have been linked with a crop survey by Quaker Oats Co. which mentioned considerable winter kill in the soft red wheat area. However, more support was understood to have been linked with reports of dry weather in the hard winter wheat belt of the Great Plains where observers said the crop was on the verge of rapid deterioration unless rainfall comes soon.

At the close wheat was ⅝-1¼ cents a bushel higher, May $2.11-10⅞; corn ¼ lower to ⅜ higher, May $1.11½-⅜; oats ⅛-⅜ lower, May 68⅞-69; rye ¾ higher to ⅛ lower, May $1.27¼; Soybeans ⅛-½ higher, May $2.49¾-¼.

Meet Star Carrier Chris Foreman

Chris Foreman carries the Morning Lincoln Star in David City, Neb. Chris has been on his route for over 3 years. He was a small youngster with a small route when he took over management in August of 1958.

Chris

The past few years Chris has grown with his route. He now has a large and profitable route.

Chris meets the mail truck at the David City Post Office every morning and begins delivery at once. By giving prompt, regular and early service, he has been able to get and keep many new customers.

Beside his paper route Chris has other activities that take up portions of his time. He is in the high school band, plays basketball and goes out for most sports. He is a good student and makes excellent grades in school. History is one of his favorite school subjects.

Chris calls on all new folks in his territory and gives them a sample of his newspaper. He is a very friendly and pleasant young man. He makes friends easily. Because of this talent, he has made a steady increase in his number of customers.

Any young man interested in a Lincoln Star newspaper route, should write to the State Carrier Department of the Lincoln Star in Lincoln, Neb.

Morrison Won't Name Successor To Sen. Adams

Gov. Frank Morrison said Friday that no successor will be appointed to fill the unexpired term of the late Sen. John Adams Sr. of Omaha unless the Legislature should convene in a special session before 1963.

Morrison said state law does not permit a governor to appoint a senator to fill a vacancy unless the Legislature is in a regular session or is to convene in a special session.

He noted that a similar situation arose last year when Hans Jensen of Aurora resigned after the regular 1961 session had ended to accept appointment to a federal post with the U.S. Department of Agriculture.

Student Protests Lack Fire

. . . IN TOKYO

Tokyo (AP) — Approximately 2,000 Japanese students tried to force their way into the U.S. Embassy Friday in protest against American nuclear tests in the Pacific. They clashed noisily with police, who beat them back in kicking, shoving brawls.

But it was a relatively small demonstration. The country appeared to be taking the resumption of tests calmly, despite official protests lodged with the United States by the Japanese government.

Lefist Group

Most of the demonstrating students were from the leftist Zengakuren Federation, and they kept the Embassy area in a state of confusion for several hours. Seven were arrested. A number suffered minor bruises and cuts. One was taken to a hospital and treated for exhaustion.

Groups of about 500 tried to storm the Embassy. They ran head-on into the police, who were determined to keep them from the two-story, green and white building. They were thrown back, shouting and protesting. About 100 got as far as the gates.

Friday night about 500 students returned to the Embassy and tried to stage a sitdown. Police broke it up, picking the students off one at a time and hustling them away. The students sang the Communist Internationale and shouted "Kennedy, down with the bomb."

Elizabeth Is Sharply Censured

. . . By Rome Official

Rome (AP) — Elizabeth Taylor drew sharp censure Friday from an Italian government official who declared the glamorous movie star by her "amorous and non-amorous conduct" risks self-destruction.

Egidio Ariosto, undersecretary of the interior, issued the statement after a predawn automobile accident in which she and Richard Burton, her latest heart throb, escaped injury.

Later Burton 36-year-old Welsh actor, drove out of his villa with his blonde wife, Sybil, thus publicly revealing her presence in Rome.

Ariosto, who once headed the ministry which supervises Italian films, declared:

"Miss Taylor, with her amorous and non-amorous conduct which, unfortunately, morbidly interests and in fact occupies too much space in newspapers and weeklies, perhaps without her wishing to do so, defies Italian public opinion which has always been very understanding of the sometimes strange conduct of actors and actresses of the film world.

"But I have the impression this time Miss Taylor is exceeding the limits and, in fact, risks destroying herself."

'Child Care In Omaha Would Cost No More'

Omaha (AP) — All state orthopedic pediatric cases could be treated in the Children's Medical Center here without spending money for additional equipment, modernization or buildings, Gov. Frank Morrison was advised Friday.

Edward Shafton, president of the policy board of the center, said he wrote the governor after noting a proposal to spend $250,000 to modernize the Orthopedic Hospital in Lincoln, including federal Hill-Burton funds.

"We hope that prior to making such substantial expenditure of tax dollars, which is deemed unnecessary and needless, you give adequate consideration to our proposal," Shafton wrote.

Lincoln Firm Gets $442,142 Project

Columbus—Consumers Public Power District's board of directors Friday approved a $442,142 bid by Olson Construction Co. of Lincoln for the new 28,000-kilowatt addition to its steam generating plant at Scottsbluff.

The contract includes substructures, building steel and closure.

RR Group OK's United Air Lines Tariff Change

The Nebraska Railway Commission reported Friday it has authorized United Air Lines to amend its tariff affecting flights between Omaha and Lincoln so as to assess penalties on passengers who make reservations but fail to show up for a flight, and on the airline when it oversells a flight so that a passenger showed up and is unable to use his reservation.

The penalty provisions under the order will take effect May 9.

In other action, the commission:

Authorized Railway Express Agency of Denver, Colo., to discontinue agency services at St. Libory.

Authorized Nebraska Central Telephone Co. of Gibbon to recapitalize and issue additional stock.

Approved the application of the General Telephone Co. of Nebraska, Columbus, for approval of foreign exchange service tariff.

Set May 28 as date for a hearing on the application of the heavy haul division of the Nebraska Motor Carriers Association, Omaha, to increase rates and change certain rules of its official heavy hauling tariff.

Philadelphia Thief Given 1-3 Years

Thomas J. Townsend, 28, of Philadelphia, Pa., was sentenced to from one to 3 years in the Men's Reformatory Friday by Lancaster District Judge Elmer Scheele.

Townsend had pleaded guilty to a grand larceny charge in connection with a February 11 offense of taking some $242 from Model Cleaners.

Delinquency Rate Below U.S. Average

The number of teenagers adjudged delinquent in Lancaster County is far below the national average, according to 1961 figures compiled by Juvenile Probation Officer Jack Neely.

Less than 1% of Lancaster County children between the ages of 11 and 18 were found delinquent last year, while the national average is between 2 and 5%.

Accoding to Neely, 475 youths were referred to the juvenile office in 1961.

ANNOUNCING
. . . THE NEW
EXCLUSIVE
LOOMIS & HOYT
"TRADE-IN"
PLAN

Don't get caught in a two house squeeze. If you must sell the house you presently own before you can buy your new home, you are faced with the problem of being caught between houses.

Our exclusive "Trade-In" Plan permits you to "Buy Before You Sell" with complete confidence. The plan is designed to permit you to select and purchase your new home now, before your present home is sold.

With the current market in a definite rising trend you can take advantage of today's fine values and not have to wait until the prices are higher.

If your home qualifies and you don't wish to trade it in, we will provide you with the equity money until your home is sold.

Consumers, Rurals Leave Door Open To Settlement

By DON WALTON
Star Staff Writer

Consumers Public Power District and the negotiating committee representing rural public power districts Friday left the door open for possible out-of-court settlement of pending litigation.

CPPD's board of directors, in a statement issued at Columbus, reaffirmed its "willingness to use all reasonable means to settle pending law suits."

In Lincoln, rural spokesmen released a statement expressing their intent to "continue our efforts to effect a settlement."

Action was prompted by the settlement proposal unveiled by Loup River Public Power District earlier this month.

Loup had been the single hold-out in earlier negotiations which resulted in an agreement by CPPD, the rurals and Platte Valley Public Power and Irrigation District.

Platte and Loup compose the Nebraska Public Power System, wholesale supplier to CPPD and the rurals.

At stake in the suits is a rate difference which will total $1.5 million by the end of this year, and the NPPS-CPPD contract.

Platte Willing

Platte General Manager Gerald Gentleman of North Platte earlier this week indicated that his board is willing to accept the new Loup plan.

In commenting on the proposal, the rural negotiating committee said:

"This proposal is a new proposal which in substance is a rejection of a settlement which had been agreed to by substantially all of the other public power agencies in the state.

"Loup's proposal involves numerous and substantial changes in existing long-term contracts . . . These proposed changes raise important technical engineering and accounting problems which require study and investigation."

Rural negotiators said they are giving the plan "serious consideration and study."

'Glad To Meet'

As soon as possible, the statement noted, "we will be glad to meet and confer with Loup, Platte, Consumers and representatives of the municipalities involved in the hope of arriving at an equitable and satisfactory disposition of our differences."

The statement was released in Lincoln by Ralph Foreman of Columbus, manager of the Nebraska Electric Generation and Transmission Cooperative Inc.

Other committee members include Ed Koza of Lexington, Dawson Public Power District; Lester Trussell of Beatrice, Norris Public Power District, and Al Chantry of West Point, Cuming County Public Power District.

Also participating in the meeting were attorneys Robert Crosby and Lloyd Marti, both of Lincoln, and Kenneth Olds of Wayne.

At Columbus, CPPD's board instructed General Manager Ray Schacht and legal counsel "to resolve any remaining differences in viewpoints of the parties and to prepare language for the contract changes."

Hargitt Pleads Innocent To Negligence

A 17-year-old Lincoln youth, arrested following a high-speed chase by police, pleaded innocent Friday in Municipal Court to a charge of negligent driving in such a manner as to endanger life, limb or property.

Trial of the youth, James F. Hargitt of 3545 So. 51st, was set for May 21, and he was released on $500 bond.

Several motorcycle and cruisers officers were involved in the pursuit, which police said involved violation of a number of stop signs and automatic signals and speeds in excess of 85 m.p.h. by Hargitt.

The chase ended at 48th and A when Hargitt's 1962-model sedan collided with an automobile driven by Richard Miles, 20, of 3320 N, then slammed into a tree, according to police.

Hargitt and a 19-year-old youth identified as a passenger, fled on foot, but were apprehended nearby. The 19-year-old was later released.

3 Injured In 2-Car Wreck On Parkway

Three persons received minor injuries in a two-car accident Friday at Capitol Parkway and J.

Police said drivers of the cars were Frank Stieber, 71, of 422 So. 42nd, and Ronald L. Varner, 21, of Seward. Carol Geiger, 19, of York, was a passenger in the Varner car.

All were treated for minor lacerations and released by local hospitals.
